

Security Devices

General Considerations

Security devices including cameras and alarms shall be selected, located and installed so as to be an integral part of the house and not distract from its architecture and appearance.

Specific Guidelines

- Cameras and housings, sirens, speaker boxes, conduit and related exterior elements should be unobtrusive and inconspicuous. Such devices should be located where not readily visible and should be a color that blends with or matches the surface to which attached.

Submission Requirements

- A copy of the existing site plan showing the house and the location of all the proposed security devices
- Drawings or photographs showing the house and the proposed locations of all security devices
