PRECIOUS FACES deserve OUCHLESS SPACES

Our Child Life program provides:

- Procedural preparations
-
- Distraction and support during medical procedures
-
- Medical and therapeutic play
-
- Sibling support and education
-
- Bedside and playroom activities
-
- Community education
-
- Bereavement support

Our New Child Life program helps kids feel safe, happy and secure.

If someone said your tonsils had to come out, you'd know exactly what they meant. But imagine the questions of a five-year-old: What are tonsils? What's a hospital? Will it hurt?

Answering in a child-appropriate way is just one of the many ways our Child Life program helps children and their families cope with the anxiety and stress of hospital visits. Along with doctors and nurses who know how to make kids feel comfortable, our Child Life program offers a specialist — a special friend to “help the medicine go down.” From ouch-free playrooms with crafts, books and toys, to large private rooms with TVs, DVDs and video games, we have a commitment to helping kids stay kids for as long as they stay with us.

Create Future Nature Stewards By Visiting the Nature Center!

What: Special Nature Center
Saturday Hours

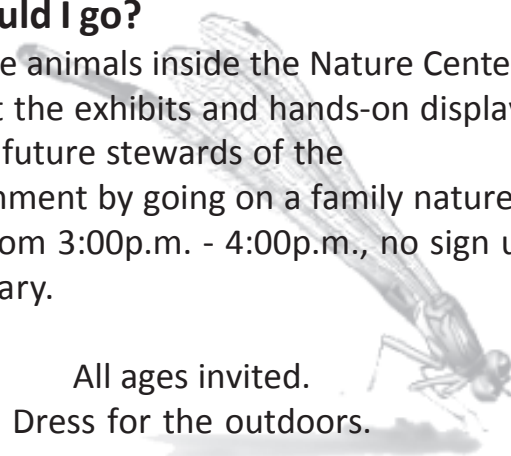

When: April 18, May 16 & June 13

Hours: 12:00p.m. - 5:00p.m.

Why should I go?

- Visit the animals inside the Nature Center
- Look at the exhibits and hands-on displays
- Create future stewards of the environment by going on a family nature walk from 3:00p.m. - 4:00p.m., no sign up necessary.

All ages invited.
Dress for the outdoors.

Piranhas Swim Team Registration

On February 9th, 2009 registration began for the Broadlands Piranhas Swim Team. Our goal is to develop a love of swimming while teaching proper technique, principles, and good sportsmanship as well as team and neighborhood spirit. We offer excellent coaching, daily practices and fun family activities during the season. The swim team offers opportunities for beginning and experienced swimmers.

The CSL Piranhas are now announcing that Open registration will begin on Saturday, April 11th. As of March 15th there are a few remaining spots available for the CSL Swim Team and up through Friday, April 10th those spots will be available to Broadlands' residents only. Beginning on April 11th, registration will then be open to residents and other families that have obtained a valid 2009 pool pass through the HOA.

For complete details on registration or questions, please visit the website at www.broadlandsswimteam.org and/or contact the CSL board members listed on the website.

The Spring Community Yard Sale Will be on Saturday, April 25, 2009 Around the Broadlands Community from 8:00am to Noon.

You can check out the list of participants on the HOA website to see what's for sale and use the online community map to find each street. Residents do not have to be on the list of participants to be part of the community yard sale. If you would like to be included in the online list of participants, please use the Yard Sale Submission Form at <http://www.broadlandshoa.org/node/131>. It is the resident's responsibility to check their online listing for inclusion and accuracy.

Please think about going "green" and bring along a reusable shopping bag. And, please, watch out for pedestrians when driving from sale to sale.

***"HIP HOP, THE HIPPIE, THE HIPPIE, TO THE HIP
HIP HOP, DON'T STOP THE ROCKET TO THE BANG
BANG BOOGIE"***

**INTO SPRING DANCE FOR
4TH - 8TH GRADERS**

FROM 6:30P.M. - 9:00P.M.

on APRIL 24th at the COMMUNITY CENTER

Larry Owens El, a local choreographer, will lead the kids with the coolest hip hop moves to the latest dances featuring our talented D.J., Neal Keller.

**Please bring a snack or dessert to share.
Water and punch will be provided.**

***This event is limited to the
first 70 kids to show up.***

Pool Season is Coming Up... Do You Know Where Your Pool Passes Are?

It's time to start looking in the bottom of your pool bag or maybe in the drawer with the swimsuits for your Broadlands Photo ID pool passes. Everyone 5 and up who wishes to gain admission to the pools will need one.

If you are a new resident, you must fill out an application, return it to the Nature Center and have your photos taken. Applications are available at the Nature Center, in this newsletter, see page 7 or online at www.broadlandshoa.org.

If you received a pass last year and have lost it, you can receive a replacement pass free of charge until Pool Opening Day which is May 23, 2009. Call the Nature Center at 703-729-9704 and request a replacement pass. After May 23rd there will be a \$5.00 fee for each replacement pass. If you want a new pass with a new photo the charge is \$7.00. **CREDIT CARDS ARE NOT ACCEPTED!** Cash or check only. All passes are picked up at the Nature Center Monday through Friday from 9:00a.m. to 5:00p.m.

If any of your children have turned five since last summer or will be five by June 1, 2009, they must have a picture taken and a pass made. Please use the resident application form on page 7 and return it to the Nature Center to add them to your family data base.

Pictures will be taken at the Nature Center from 9:00a.m. to 5:00p.m. Monday through Friday on a first come first served basis. Additionally, the Nature Center will be open for photographs on Saturday, April 11th and Saturday, 25th from 8:00a.m. to 4:00p.m. and Sunday, May 17th from 12:00p.m. to 5:00p.m.

Pool passes will be issued to each individual aged 5 and up living in the household. A household consists of all persons permanently living in the dwelling including live-in caretakers and any unmarried children who are students and/or from a previous marriage and who will be residing with the owner for the summer.

Renters must have the owner of the property sign the application transferring their pool privileges to the tenant. Please use the Tenant membership application on page 8.

Prior to having the photo taken, all adults 18 and up must show a photo ID and proof of address.

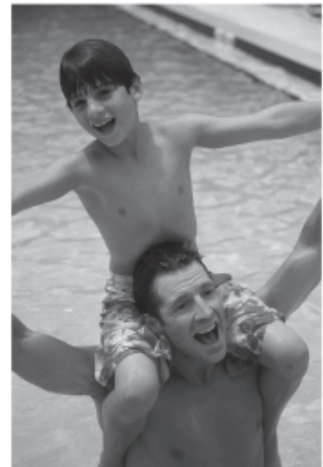

Photos will not be taken if acceptable proof of identity and address are not available.

Acceptable photo IDs include:

- Driver's License
- School, Military or Work Photo ID
- State Issued Non-Driver Photo ID
- Current Passport
- Current Resident Alien Photo ID

Acceptable Proof of Address include:

- Payroll Stub issued within the last 60 days
- 2006 W-2 or 1099
- Original Bank Statement issued within the last 60 days
- Utility bill issued within the last 60 days
- Current Virginia Voter Registration Card
- Settlement Papers or Deed
- Current Homeowners Insurance Policy

Non-resident caregivers are able to obtain a pass for \$40 for the season. They should be noted as non-resident caregivers on the resident's application. The fee must be paid at the time their photo is taken and the pass issued. The resident must accompany the care giver to the photo session and show proof of identity and address.

Up to 5 long term house guests may obtain pool passes for \$40 per person for the season or \$15 per person for a month (30 consecutive days) or \$5 per person for seven consecutive days. They must be noted as non-resident house guests on the resident's application. The fees must be paid at the time their photo is taken and the pass issued. The resident must accompany the guests to the photo session and show proof of identity and address.

Ten guest passes are allocated to each residence. Additional guest passes, good for 10 visits may be purchased for \$20. Guest passes are added to the electronic account. No physical pass will be issued. Guests must be accompanied by a pool pass holder to gain admittance to the pool facility.

Please direct questions to the Nature Center at 703-729-9704.

BROADLANDS 2009 POOL MEMBERSHIP APPLICATION

This application form **MUST BE SIGNED BY THE OWNER** who is being granted a pool membership. This application should be used for all members of the household. A household consists of all persons living in a dwelling, including college students, other non-resident children spending the swim season in Broadlands and live-in care providers. In order to obtain membership passes this form must be completed and returned to Broadlands Association, 21907 Claiborne Parkway, Broadlands, VA 20148 or dropped in the box outside of the office. Applications may also be faxed to 703-729-9733.

- *No Lifeguards are on duty at the wading pools.*

The complete text of the Broadlands Pool Rules is available at the Association Office or on the website www.broadlandshoa.org

Revised February 7, 2008

PATRIOT TO PROVIDE TRASH AND RECYCLING SERVICES FOR BROADLANDS RESIDENTS STARTING APRIL 2ND

Patriot Disposal is pleased to have been selected by the Broadlands Association to provide trash and recycling services for your community beginning on Thursday, April 2, 2009. Our employees and management team are eagerly anticipating the opportunity to provide you with reliable, efficient trash and recycling collection services.

About Patriot Disposal

Patriot Disposal is locally-owned and operated, and provides trash and recycling services for individual homeowners, homeowners associations and commercial businesses in Prince William, Fairfax, and Loudoun Counties. Customer satisfaction is our number one priority, and we are committed to becoming the most responsive and conscientious refuse hauler, rather than the largest.

An environmentally-conscious company, Patriot Disposal offers a curbside recycling program that extends well beyond those offered by other haulers. We have developed innovative and cost-saving methods to collect and recycle materials over and above those required by the County, and we are continuing to pursue methods to recycle additional materials and to expand our recycling program even further.

Services

Beginning in April 2009, Patriot Disposal will provide the following services for the Broadlands Association:

- Trash removal, 2 times each week, on Monday and Thursday
- Recycling collection, 1 time each week, on Thursday
- Removal of yard waste, 1 time each week, on Monday
- Special item pick-up, 1 time each week, on Thursday

Containers

Patriot Disposal will provide one Toter for each residence for the collection of trash. Each town home will be provided with a 64-gallon, wheeled, covered container, and each single-family home will be provided with a 96-gallon, wheeled, covered container. Each town home and single-family home will also be provided with one recycling bin. Additional recycling bins are available for no additional charge.

Additional Toters are available for purchase at the following rates:

- A 96-gallon Toter — \$100.00
- A 64-gallon Toter — \$50.00

Patriot Disposal will coordinate the delivery of its containers with the pick up of the containers by the current contractor to ensure that the transition is as smooth as possible. You are encouraged to keep a record of the serial number of your Toter(s) should you need to identify it in the future.

Requests for additional recycling bins and Toters are now being accepted by phone at 703-257-7100.

Trash Removal

Each Monday and Thursday, Patriot Disposal will remove trash that has been placed at the curb for collection.

Please note the following requirements concerning trash removal services:

1. Trash must be properly secured in plastic bags, standard trash cans, or wheeled carts.
2. Trash bags and containers shall not exceed 50 pounds in weight per bag or container.
3. Trash must be placed at the curbside and/or designated area by 7 a.m. for collection.

Recycling

Patriot Disposal is committed to assisting the Broadlands community with its recycling efforts in every way possible, with the goal of becoming the first community to achieve a higher rate of recycling vs. trash.

Patriot Disposal's weekly curbside recycling program includes the collection of **scrap metal** (foil, pie tins, trays, pots and pans, small car parts, grills, bicycles, swings, etc.), **small electronics** (computers, monitors, TVs, small printers, VCRs, DVD/CD players, cell phones, etc.), **car batteries**, and **used motor oil**, in addition to **newspapers, mixed paper, cardboard, paperboard, glass bottles and jars, metal and aluminum cans and plastic bottles**.

Each Thursday, Patriot Disposal will remove recyclable materials that have been placed at the curb for collection.

Continued on page 11

Please note the following requirements concerning recycling collection services:

1. Newspapers and magazines should be bundled and placed in paper grocery bags or tied with heavy twine.
2. Glass, plastic, aluminum and metal, food/beverage containers should be rinsed and placed in bags, cardboard boxes, or recycling bins.
3. Recyclables must be placed at the curbside and/or designated area by 7 a.m. for collection.
4. Recyclable materials can be co-mingled.
5. Patriot Disposal will remove and recycle packing boxes and cartons placed at the curb by residents.

Yard Waste

Each Monday, Patriot Disposal will remove yard waste that has been placed at the curb for collection.

Please note the following requirements concerning the collection of yard waste:

1. Yard debris (leaves, grass clippings, brush) may be mixed with trash only during the months of January, February and March.
2. Brush must be cut into four-foot lengths, with limbs no larger than six inches in diameter.
3. Brush must be tied in bundles no larger than two feet in diameter.
4. Yard debris must be placed in separate containers, marked "yard waste" or in biodegradable bags. Yard waste that is put out at the curb in plastic bags will not be picked up.
5. Yard waste must be placed at the curbside and/or designated area by 7 a.m. for collection.
6. Food waste mixed in with yard waste will be accepted, as it can be composted.
7. The weight limit for yard waste is 35 pounds per bag or container.

Special Item Pick-ups

Each Thursday, Patriot Disposal will collect furniture, mattresses, appliances, and other large, non-metal household goods that have been placed at the curb for collection, for no additional charge.

Please note the following requirements concerning the collection of special items:

1. Items for collection must be placed at the curbside and/or designated area by 7 a.m.
2. Appliances containing Freon must be certified as "Freon-Free" prior to removal.

Schedule

Patriot Disposal will provide services on all holidays that fall on regularly-scheduled pickup days with the exception of Thanksgiving Day, Christmas Day, and New Year's Day. If a regularly-scheduled pickup day falls on one of these holidays, service will resume on the next regularly scheduled pickup day, however no earlier than 6:00 p.m.

On regularly scheduled pickup days, Patriot Disposal will provide services beginning at 7 a.m. Therefore, items for collection must be placed at the curb prior to 7 a.m. If possible, homeowners are encouraged to place items at the curb the night before each scheduled collection day.

Patriot Disposal will not provide service to any residence when circumstances exist that are beyond its reasonable ability to control, such as roadways deemed to be impassable due to parked vehicles or construction, riots, fires, floods, inclement weather, strikes, or acts of God.

Unacceptable Waste

The following items will not be collected, and should not be placed in the trash or set out for pick up: highly-flammable substances, hazardous waste, construction debris, liquid waste, toxic materials, radioactive materials, asbestos, infectious or medical waste, petroleum contaminated soil, dead animals, paint, manure, or other dangerous materials as determined by state, federal or local law, or in the reasonable judgment of Patriot Disposal.

Vehicles

Please be aware that Patriot Disposal owns and operates some vehicles that are "split-body" trucks. This means that there are two separate sections in the body of the truck, and the truck can therefore be used for the simultaneous collection of trash and recycling without co-mingling the items. To see the split body, you must view the truck from the rear. From the side, it will appear as though there is only one compartment and that all of the materials are being placed into it. Patriot Disposal anticipates possibly using some of these types of vehicles to perform waste collection services for the Broadlands Association. Please keep in mind that on some occasions, split-body trucks will be used to collect trash in one side and recycling in the other; or they might be used for the collection of trash and yard waste.

Patriot Disposal considers it a privilege to serve you. Please direct any questions, comments or concerns to us at our office, 703-257-7100.

ATTENTION BROADLANDS PARENTS AND TAXPAYERS

Dear Fellow Residents,

As many of you know, our school system is in the process of significant boundary changes at the elementary through high school levels that affect the Broadlands. Many of us have rightly fixed our attention at the elementary and middle school levels, feeling safe inside our high school boundaries. However, the county planning staff has proposed high school boundaries that have significant implications for not only our kids but also our wallets!

Compromised Quality Education

Under the proposed staff plan announced on March 10, both Briar Woods and Stone Bridge high schools will become tremendously overcrowded. In fall 2010 when the plan would take affect, both schools would already be over capacity. By the fall of 2013, overcrowding would reach 135% of capacity at Briar Woods and 138% at Stone Bridge. This represents more than 550 students over capacity at each school. Even if a new school were built in the Loudoun Valley Estates (HS-6) a year ahead of schedule, overcrowding for Broadlands kids at Briar Woods would reach levels that could affect the quality of their education.

Fiscal Irresponsibility

At the same time, the staff plan has the three high schools in Leesburg significantly underutilized. The newest school that cost taxpayers over \$86 million to build, Tuscarora, will open in 2010 at only 68% of its capacity of 1,800. By 2014, it would only reach 78% of capacity. In fact, according to this plan, the three Leesburg schools will have between 900 and 1300 empty seats while those in Ashburn would reach 1,100 students over capacity. What is the staff plan solution for this? Build another 1,800 capacity school (HS-6) sooner than originally anticipated in order to relieve this overcrowding and, in the process, add more surplus capacity in our school system. In a time when we can not even afford to fund the full operating budget of our existing schools, why should we be adding even more when there is no reason to do so?

Splits Our Neighboring Community

While not of direct impact on Broadlands residents, the staff plan splits our neighboring community between two high schools – Briar Woods and Stone Bridge. It has long been the perspective of the Broadlands HOA Board of Directors to keep communities together to the extent possible. While this staff plan does not split our own community, it does erode the importance of keeping communities together in the school boundary process. If Broadlands wants to ensure that it remains intact as a community in future boundary changes, it should be deeply concerned over the splitting of Ashburn Farms that is being advocated in the staff plan.

Viable Alternatives Exist

What then is the solution? Simply make better use of excess capacity in either Tuscarora or Heritage to accommodate overcrowding at Stone Bridge while keeping communities intact. This will insure that both Stone Bridge and Briar Woods do not become significantly over capacity through 2014 and taxpayers are not asked to build and operate another new school sooner than it is really needed. Community Input plans 564 and 592 accomplish this by shifting Lansdowne, as a whole community, to either to Heritage or Tuscarora, stabilizing Stone Bridge's overcrowding perhaps permanently so that it does not further contribute to overcrowding at Briar Woods. This is the best way to ensure that Broadlands kids retain the best possible quality education at Briar Woods, fiscal responsibility is maintained, and communities in Ashburn and the rest of the county remain cohesive units within our educational system.

I urge you as your HOA President to voice your opinion, this plan will lead to significant overcrowding for Broadlands children at Briar Woods, wastes taxpayer dollars, and undermines the importance of communities, like Broadlands, in our school boundary system.

What can you do? Email our School Board Representatives and make your feelings known! The final decision will not be made until April 28.

Broadlands Association Board of Directors Meeting February 10, 2009 Board Actions

The meeting was called to order at 5:33p.m. with the following Board members in attendance:

Cliff Keirce
Brian Beahm
Denise Harrover
Staci Kapinos

Roy Barnett
Eric Bazerghi
Wes Schroeder, General Manager
Maureen Burns, Assistant Manager

Alex Bahr of Leesburg/Ashburn Today
Six Homeowners

Staci Kapinos moved to approve the minutes as amended in Board Comments from the January 13, 2009 Board Meeting and was seconded by Eric Bazerghi. The motion was approved 6/0/0.

Five homeowners came and expressed their negative reactions to the revised day care application of Little Sprouts Preschool on Fernbrook Court.

The Board reviewed and agreed to update the pool pass system through Capital Card Systems and have them provide service and maintenance of the system. The costs will be spread between the Pool Improvement Reserve and the budgeted line item for pool passes.

The Board reviewed the proposed 'day care resolution'. Staci Kapinos moved to approve additional language in the day care resolution stating "If there is more than one session held during a day there must be a minimum of 30 minutes between the sessions." and to approve the resolution subject written legal opinion. The motion was seconded by Eric Bazerghi. The motion passed 5/1/0 with Cliff Keirce voting against the motion. Roy Barnett requested it be noted that he voted in favor of the resolution because he did not object to any points in the resolution. Cliff Keirce clarified that he always believed that the Board's intentions in utilizing County Code regarding day care was that it meant that no more than nine students per day would allowed.

The Board reviewed the revised application from Little Sprouts Preschool. The homeowner agreed to voluntarily hand out parking letters to her parents (already does) and stated she had already dismissed one party from the class because of speeding. Little Sprouts agreed to amend their application to include language about passing out driving information. The Board would await the revised application prior to voting on the application.

One hearing for covenant violations was scheduled for no applications on a number of modifications. The Board instructed Management to follow procedures and assess charges if applications were not filed and approved.

Eric Bazerghi moved to approve the replacement of the Community Center Sign by Graphic Services. The motion was seconded by Staci Kapinos. The motion was approved 6/0/0.

The Board reviewed the request from Special Olympics to use two tennis courts for an hour on Tuesday evenings. The Board requested additional information prior to rendering a decision.

Eric Bazerghi moved the Association request a written legal opinion from the attorney regarding the issue of turnover of the Association. Brian Beahm seconded the motion. The motion was approved 4/0/2. Roy Barnett and Denise Harrover abstained.

Roy Barnett brought plans detailing the Special Exception Request for the Hotel in Section 204. The building would be restricted to a height of 85 feet and would be six floors. The site would also not have an on-site restaurant. The Public Hearing is scheduled for March 19th.

Denise Harrover moved to enter Executive Session at 7:35 PM to discuss collections. The motion was seconded by Eric Bazerghi. The motion passed 6/0/0.

Brian Beahm moved to exit Executive Session at 7:41 PM and assert that no action was taken in Executive Session. Eric Bazerghi seconded the motion. The motion passed 6/0/0.

Denise Harrover moved to adjourn the meeting and was seconded by Staci Kapinos. The motion was approved 6/0/0. The meeting adjourned at 7:42 PM. The next Board meeting is scheduled for March 10, 2009 at 5:30 PM.

Broadlands Association Board of Directors Meetings

*Meetings are held in the conference room of the
Nature Center usually on the*

2nd Tuesday of the month at 5:30pm.

*Residents are welcome to observe the public portion
of meetings, and to address the board during the
'Owner Comments' section of the meeting.*

*A request to be placed on the agenda must be
submitted to management no later than 7 days
prior to the meeting.*

Help Your New Patriot Trash Can Stay at Home!

When you receive your new trash can from Patriot Disposal, you will notice a number imprinted on the side of the receptacle. This is a unique serial number. Please make note of it. In case your trash can is swept away by high winds, you will be able to identify it as yours. Additionally, residents may contact the association office with their name, address, telephone number and the serial number of their receptacle. The association office will keep a log, so if a trash can is found the owner can be identified and contacted. This is a voluntary program. Please send an email to mburns@broadlandshoa.org or call (703) 729 9704 to be included in this program.

Please encourage your neighbors who may not be newsletter readers to do the same.

Trash Collection Schedule

Mondays:

**Trash and Yard
Waste (Beginning
April 2nd)**

Thursday:

Trash and Recycling

See page 10 for complete details

Home Owners Association Board of Directors Business Meeting

**Tuesday, April 14, 2009
5:30 p.m.**

In the Nature Center Conference Room

Modifications Subcommittee

*The Subcommittee meets at 7PM in the Nature Center on **the first and third Wednesdays, March through October, and only the third Wednesday, November through February.** Applications must be submitted by Noon on the Friday before the meeting. Please review the Design Guidelines manual or look online for information to be submitted with your application, as failure to include all information will delay review of your project.*

MODIFICATIONS SUBCOMMITTEE MEETINGS

the Broadlands HOA website at**

**[http://www.broadlandshoa.org/info/designguides/
designguides.htm](http://www.broadlandshoa.org/info/designguides/designguides.htm)**

Submit complete applications by **Noon** on the submission date to the Secretary to the Modifications Subcommittee, at the Association office in the Nature Center, 21907 Claiborne Parkway. There is a drop box available for after-hours submissions. A response to your application is generally mailed within one week of the meeting.

Local Girls Raise Money For the Loudoun County Animal Shelter

Hats off to Courtney Davis, Hana Warner and Shannon Keirce. The girls spent an impromptu Saturday washing cars to raise money to donate to the Loudoun County Animal Shelter. Great job Girls!

New Bicyclist Advocacy Group Seeks Community Input

BikeLoudoun is a new bicycle advocacy group whose mission is to achieve a safe, comprehensive network of bikeways throughout the county. It believes that the goal can be reached if recommendations contained in the Loudoun County Bicycle and Pedestrian Mobility Master Plan are implemented by the County.

Since the County's Transportation Plan is currently being revised, BikeLoudoun is asking the community to identify the most dangerous roadways and intersections for pedestrians and bicyclists. With this information in hand, they will coordinate with the Loudoun County planning and transportation staffs as well as the County Planning Commission to improve these areas so that bicycle and pedestrian travel becomes safer and more accessible.

Please send your recommendations to Pat Turner, Co-chair, BikeLoudoun, at pat.turner2@verizon.net by Thursday, April 2, 2009.

BikeLoudoun meetings are open to everyone. The group values input and participation from those who currently bike or who would consider biking as a mode of transportation if our roads accommodated bicyclists safely. The BikeLoudoun website is www.bikeloudoun.org and their Yahoo discussion group is <http://tinyurl.com/cp7xvy>. The next BikeLoudoun meeting is Wednesday, March 25 at 7:00p.m. at the Ashburn Library, 43316 Hay Road, Ashburn, VA 20147.

April 1, 2009

Dear Broadlands Homeowner:

This is the time of year that Broadlands Association elects its Board of Directors to serve for the coming years. Members of the Board are volunteers who oversee the business of Broadlands both in the collection and spending of monies, the selection of contractors, and all day-to-day operations. Members are vital to the Association through their supervision that directly affects the budget and therefore, the fees that all owners pay.

The Association is now asking for volunteers to run for the Board of Directors. This year at the Annual Meeting to be held on Tuesday, May 12, 2009 one (1) person will be elected to the Board of Directors, for a three-year term. Cliff Keirce's position is up for reelection. Mr. Keirce does intend to run for the Board. To become a director, you must be a Unit Owner in good standing. The Board currently meets monthly; meetings are currently early evening. In accordance with the By-Laws, Article III, Section 3.5(b), should an adequate slate of candidates be available the night of the Annual Meeting, nominations from the floor *may* not be accepted.

For those of you who would be willing to serve, a completed Nominating Petition/Candidate Profile Sheet must be received at the Broadlands Association, Inc. office by **April 23, 2009**. Nominating Petition/Candidate Profile Sheets may be mailed to Broadlands Association, Inc., 21907 Claiborne Parkway, Broadlands, VA 20148, dropped off at the Nature Center or faxed to 703/729-9733. They will be included in the package of materials sent to all owners with the Annual Meeting announcement. This is necessary so everyone may become familiar with your qualifications prior to the elections and allows you to receive proxy votes that are sent in prior to the Annual Meeting. Pertinent information you may want to include could be; the length of time you have owned a home in Broadlands, committee work in which you have participated, educational background, and any work-related or other skills that you feel might be helpful to the operation of Broadlands as a business and social enterprise. Although the deadline for Nominating Petition/Candidate Profile Sheets is April 23rd you may take advantage of having your profile sheet included in the May newsletter by submitting it **by 5:00 PM Friday, April 10, 2009**.

For those of you that submit your name for election, we thank you for your willingness to assist in the success of your community. Remember to mark your calendars for May 12, 2009, the Annual Meeting of Broadlands!

Sincerely,

Wesley Schroeder

Wesley Schroeder

Audubon Naturalist at Broadlands **Summer Nature Camp** **Kids Grow Better Outside!**

Outdoor activities are one of the best ways to promote your child's social skills and physical health as well as

nurture their interest in science. Give your child the gift of outdoor education this summer with ANS camps. Your kids won't stop talking about their camp experience, and you will be excited about everything they learn.

Broadlands Summer Camp registration is now online!

Broadlands Summer Camp registration is now open
To register online:

- Go to www.audubonnaturalist.org.
 - Click on Register Online and follow the prompts
 - You will have the option to join ANS or renew your membership when you register online
- For questions about the registration process please call 301-652-9188 x16**

We encourage people to use the online registration system, however, if you do not have access to the internet, we will mail or email you a registration form, or you may pick one up at the Nature Center.

Home Sweet Home (For children entering pre-K or K; child must be at least 4 years old by June 1, 2009)

June 22-26, 2009: 9:00a.m. - Noon

July 6-10, 2009: 1:00p.m. - 4:00p.m.

Where do owls sleep during the day? Who makes their home in a rotting log? Find out all this and more as we explore amazing animal homes right in our area, including crayfish chimneys, woodpecker cavities and squirrel dreys.

ANS Members: \$120, Non-Members: \$150

Connections in Nature (For children entering 1st and 2nd grade)

June 22-26, 2009: 1:00p.m. - 4:00p.m.

July 6-10, 2009: 9:00a.m. - Noon

Hawks need slugs, worms need foxes, and one action can affect the whole ecosystem. Engage all of your senses as we search out animals and plants and learn how all things in nature are connected.

ANS Members: \$120, Non-Members: \$150

Nature in Disguise (For children entering 3rd and 4th grade)

June 29 - July 2, 2009: 9:00a.m. to 3:00p.m. (no camp Friday, July 3rd)

Come to the Nature Center and become an eco-artist! See how creative you can be while learning about nature. Create usable art and reduce waste at the same time while incorporating concepts like camouflage, adaptation and habitats.

ANS Members: \$190, Non-Members: \$240

April Children's Programs and Events at the Nature Center

The Audubon Naturalist Society
and the Broadlands HOA have
partnered to provide the following programs.

All programs are \$5.00 and will be held at The Broadlands Nature Center located at 21907 Claiborne Parkway, Broadlands, Virginia, unless they are noted with an asterisk. To register, please call the Nature Center at 703-729-9726 at **least one day before** the program is held. A **minimum number of 3 participants** is required or the program will be cancelled. If you sign up for all three of the Mommy, Me and Nature Insect sessions, the charge is only \$12.00. Please dress for the outdoors.

Water Moves

Date: Friday, April 17, 2009

Ages: 4 - 5 years old

Time: 11:00a.m. - 12:00p.m.

Our focus will be water and how it moves. We will imitate the sound of rain with various materials and make rain sticks.

Mommy, Me and Nature Makes 3 - Insect Session #1

Honey Bees

Date: Friday, April 24, 2009

Ages: 2 - 3 years old

Time: 10:00a.m. - 11:00p.m.

Come and learn about why honey bees are so important to the environment. Learn about their body parts, touch a honey comb, sing songs and listen to a story. Younger siblings are welcome but the program will be geared towards the above listed ages.

Does Your Child Suffer From *Nature-Deficit Disorder?*

Are your senses picking up spring's arrival in your neighborhood? The birds are singing, the robins are returning, and it just smells like spring in the air. Scientists recently declared spring time in the Northern Hemisphere when the direct rays of the sun were above the Earth's equator.

Another regular spring time occurrence is that kids are chomping at the bit to play outside. They've been cooped up during the winter months and are now just dying to get out and run in the back yard.

Unfortunately, there's just one problem, kids are spending *less* time outdoors. This in turn has resulted in a wide range of problems. According to a Nature Conservancy funded study, children's mental and physical health, educational achievement, personal values and priorities later in life are being affected. They are also spending only an average of 30 minutes of unstructured time outdoors each week.

Richard Louv in his 2005 book *Last Child in the Woods* coined the term *Nature-Deficit Disorder*. Louv claims that causes for this phenomenon include parental fears, restricted access to natural areas, and the lure of the screen. Kids are inundated with electronic gadgets, video games and overstuffed playrooms.

How can we overcome this current problem in our fast paced, wired culture?

Take a walk with your child, pointing out even the simplest of natural things.

You don't have to be naturalist. Just open your mind and get excited about nature and you will awaken your child's sense of wonder.

Other avenues to instill curiosity about nature would be to visit the nature center and do a scavenger hunt, sign up for a nature program or summer camp experience. Visit the Audubon Naturalist Society Sanctuary shop in the nature center and pick up a magnifying glass or a book to help you identify common birds.

Lastly, start a nature club for families. Get a group of families together that share an interest in nature. No one has to be an expert. Plan a hike or just a walk around the walkway near Harris Teeter. To get more information on this concept visit www.childrenandnature.org/

Nature time can have a positive influence on the behavior, concentration, and even grades of young people. Kids who spend time outside are healthier, happier, and more self confident. Families who enjoy nature together strengthen their ties. All in all spending time outside is a plus for all involved.

Jump Into Spring With These Delicious Easter Recipes

Roasted Leg of Lamb and Lamb Gravy

This is a great lamb recipe that includes amazing lamb gravy.

Lamb

6 to 7 lbs. of lamb
1/3 cup peanut oil
4 cloves garlic, slice
4 tbsp. chopped fresh rosemary (or 2 tsp. dried rosemary leaves)
Salt and freshly ground black pepper to taste

Lamb Gravy

2 cups beef stock
1/3 cup Madeira wine (can substitute sherry or Marsala Wines)
1 tsp. cornstarch
1 tbsp. cold water
Salt and freshly ground black pepper to taste

Preheat the oven to 350 degrees. Have the meat at room temperature. In a small bowl, whisk the peanut oil, garlic, rosemary, salt and pepper. On a rack in a shallow pan, place the lamb fat side up. Rub the lamb with the oil mixture. Roast, basting frequently, until the meat reaches medium doneness (a meat thermometer inserted in the thickest part of the meat will register 140 to 150 degrees), approximately 2 hours. Or roast the lamb to your desired degree of doneness. Slice and serve with Lamb Gravy. Serves 8.

To make the gravy: remove the lamb from the roasting pan and drain the excess fat. Add the beef stock and Madeira to the pan. Bring to a boil, scraping up any browned bits from the bottom of the pan. Cook down until reduced by half. Meanwhile, in a small cup, mix the cornstarch and water until smooth. Whisk this into the beef stock mixture. Bring to a boil. Season with salt and pepper. Keep hot until ready to serve. Makes 2 cups. *Source: FamilyFun.com*

Easter Party Punch (nonalcoholic)

96 oz. pineapple juice
8 oz. lime juice
56 oz. Ginger Ale
28 oz. Club Soda
24 oz. orange juice
2 cups sugar
12 oz. lemon juice

Mix the sugar and juices in a blender. Strain over a block of ice into the punch bowl. Add the Ginger Ale and Club Soda. Stir gently to properly mix all the ingredients. Makes approx. 70, 4 oz. servings.

Family Fun Idea:

Create colored ice cubes by adding a few drops of food coloring to the water in the ice tray before freezing. Try a variety of colors and allow children to choose a color for their punch glass. The colored cube will make the punch more fun and as it melts it will keep changing the color of this family friendly non-alcoholic punch.

Onions au Gratin

6 medium yellow onions
1/4 cup butter
1/2 cup beef broth
1/2 cup whipping cream
2 tbs. flour
1/4 tsp. salt
1/8 tsp. pepper
1/2 cup shredded Swiss cheese
1/2 cup grated Parmesan cheese

Slice the onions into 1/2" thick rings; saute in butter until tender. Place in a greased 8" square baking dish. In a bowl, stir broth, cream, flour, salt and pepper until smooth; pour over onions. Sprinkle with cheeses. Bake, uncovered, at 350 F for 25-30 minutes or until cheese is golden brown and mixture is bubbly. Yield: 8 servings. *Source: Razzle Dazzle Recipes.*

*Congratulations to March's Trivia Contest Winner:
Ghazala Amir*

Win a \$45 Gift Certificate to Bonefish Grill!

Find both Easter items below, anywhere (any size) within the Newsletter and you could win! Winner will be chosen at random from all correct entries. Entries must be received at the Nature Center HOA office no later than April 14, 2009. **Be sure to include your name and telephone number.** Good Luck!

Tennis Anyone?

The Broadlands Tennis Committee is updating our local list of Broadlands Tennis Players. If you are interested in meeting some fellow tennis players and scheduling your own play, or would like to be informed of upcoming tennis events here in the Broadlands, please join us!

Simply send us an e-mail with your name, phone number, email address and any questions or comments. Send your e-mail to Lindasearch@comcast.net.

Adult Tennis Socials are being planned for the 4th Fridays of June through September. Get on our email list for details!

Ashburn Village 10K, 5K and 1 Mile Fun Run on Sunday, April 26, 2009

The Ashburn Village Sports Pavilion and Ashburn Volunteer Fire Department announce that registration is now open for the Ashburn Village 10K, 5K, and 1 Mile Fun Run. This year's proceeds will be donated in full to the Ashburn Volunteer Fire Department.

This year's race will take place on Sunday, April 26, 2009. The 10K will begin at 8:00 AM, the 5K at 8:10 AM, and the Fun Run at 8:20 AM. The race site is the Ashburn Elementary School at 44062 Fincastle Drive, Ashburn, VA 20147. The start and finish for all events is in front of the school. The new, certified 5K & 10K courses loop through scenic Ashburn Village with no more than a one percent grade incline at any time.

The race will be timed and scored by Capital Running Company using the ChronoTrack timing system. The system uses a computer "D-tag" which must be tied to the shoelaces of each runner and records the exact time each runner crosses the starting line and the finish line, resulting in a net time for each runner. The D-tag is disposable. Overall awards will be based upon clock or "gun" time and age group awards will be based upon net times as determined by the D-tag.

Awards will be given to the top 3 male and female finishers as well as the top male and female finisher in the following age groups: 12 and younger, 13-19, 20-29, 30-39, 40-49, 50-59, and 60 and older.

More information on the Ashburn Village 10K, 5K & 1 Mile Fun Run can be found at <http://avsp.squarespace.com/ashburn-village-race/>.

Broadlands Will Provide Tennis Time to Special Olympics Athletes

Beginning April 14th and commencing June 9th from 6:30p.m. to 7:30p.m. at the Hillside Park tennis courts the Broadlands Association will be providing court time for some very special athletes. Through an agreement with the local Special Olympics Chapter, Tennis Dan and the HOA, ten to twelve Special Olympics Athletes will have the opportunity to practice their tennis skills coached by Tennis Dan instructors and local high school volunteers.

If you plan to play tennis on Tuesday evenings during these dates, please remember that the courts will not be available during this hour. The Special Olympics Athletes thank you for your support.

KIDS MINI TRIATHLON COMING IN JULY

Mark your calendars and watch for more details for the first Broadlands Piranhas Kid's Mini Triathlon!

The Broadlands ODSL Piranhas Swim Team will be sponsoring a **Kids Mini -Triathlon to benefit the Multiple Sclerosis Society** on Thursday, July 2nd. The route (finalization still in progress) will be starting with swimming at the Southern Walk Pool, biking around Mill Run Elementary and finish with running the Eagle Ridge MS track.

More details (distances, times, how to register) will follow in the May newsletter and will be posted on the ODSL Piranhas website (www.broadlandsswimteam.org). A parent/guardian will be required to accompany all participants.

This event is open to all children ages 5 and over, so have your kids come out and give it a "TRI".

TENNIS DAN OFFERING SPRING BREAK, TENNIS AND SUMMER SPORTS CAMPS

Spring Break Camp for kids ages 6-12 April 6-10. The camp is the same set up as the summer sports camp except for the swimming pool as it will be closed.

All Day Sports Camp ages 6-12. 9:00 AM- 4:00 PM with before and after care. We will have instruction for sports ranging from basketball, baseball/softball, tennis/ soccer and many more. Team sports and activities are also included.

TD Sports is excited about the upcoming 2009 tennis season. We have a great line-up of events and lessons scheduled for this year.

Spring Tennis

There is a full schedule of classes for the spring season. The classes are for 8-weeks; start the week of April 13th and will be held at the Nature Center Skill levels range from Pee Wee classes for 3-4 year olds to Adult team practices.

Summer Clinics

There are (2) 4-week summer sessions for clinics, the first beginning June 22nd and the second starting July 27th.

Summer Junior Stars Tennis Camps

Camps will begin June 22nd. The camps will be held on Tuesday, Wednesday, and Thursday for two weeks for 4 sessions. A camp T-shirt is included, so please specify shirt size when you register.

Td All-Stars Camps

TD All-Stars camp will be held Monday through Friday from 12:30-3:30pm during the summer. There will be 9 sessions beginning the week of June 22nd. You can sign-up by week or by day.

Little Stars and Pee Wee Tennis Camp

We are excited to also offer a Little Stars Tennis Camp for kids ages 5-6. The camp will be held the same dates as the regular tennis camp from 10:30am-11:30am. The 3 and 4 year old Pee Wee camps will be held from 9:30am-10:30am. Once a week clinics in the afternoon will also be available.

Website

Go to www.TDSports.org for details on all the Broadlands programs. You can access all information, sign-up forms and schedules under the community section.

Special Event Bunny Bonanza Wednesday, April 8th, 2009 10:00AM – 1:00PM

Join the Loudoun Heritage Farm Museum for Bunny Bonanza on Wednesday, April 8th from 10:00p.m. - 1:00p.m. Learn about rabbits and responsible pet ownership from local animal organizations. Live animals, demonstrations, hands-on experiences and information. Learn about volunteer opportunities to work with animals in our area. A "must-see" for anyone who owns a rabbit or is thinking about becoming a rabbit owner.

Co-sponsored by the Department of Animal Care and Control. Supported by the Department of Parks, Recreation & Community Services in cooperation with Loudoun Heritage Farm Museum, Inc.

Bunny Bonanza is free with paid Museum admission. Bring an unopened bag or can of pet food to support the CARE program and receive one free child's admission. One free admission per family.

Participating organizations include:

The Leaps and Squeaks Rabbit and Cavy Club of Northern Virginia is a 4-H Club based in Loudoun County. During monthly meetings, members engage in learning activities as they work on their rabbit and cavy projects. In addition, club members participate in community service activities, leadership opportunities, field trips, games and crafts. The highlight of the year is the Loudoun County Fair, an annual weeklong event in which members show and display their animals. New members are welcome.

Loudoun County Joins with VRT to Offer New West Falls Church Express Route

A new bus route, the West Falls Church Express, connects the West Falls Church Metro station with Loudoun County. The new service is operated by Virginia Regional Transit (VRT) in partnership with Loudoun County.

This route connects the West Falls Church Metro Station with George Washington University's Virginia Campus, the Howard Hughes Medical Institute's Janelia Farm Research Campus, INOVA Loudoun Hospital and Beaumeade Circle.

Once in Loudoun, passengers can connect to various local routes to travel to Leesburg, Purcellville, Sterling, Ashburn and Dulles Airport.

More information about bus service in Loudoun County, including a schedule for the new West Falls Church Express, is available on the Loudoun County Government Website at www.loudoun.gov/bus.

Proper Mulching Techniques

(Adapted from pamphlet produced by the International Society of Arboriculture)

Benefits of Proper Mulching

Helps maintain soil moisture. Evaporation is reduced, and the need for watering can be minimized.

Helps control weeds. A 2"-4" layer of mulch will reduce the germination and growth of weeds.

Insulation. Mulch keeps soils warmer in the winter and cooler in the summer.

Improved quality of soil. Many types of mulch can improve soil aeration and structure and can improve drainage.

Some types of mulch can improve soil fertility.

A layer of mulch can help inhibit some types of plant disease.

Helps facilitate lawn maintenance and reduces the risk of mechanical damage from weed-whips or lawn mowers.

Trees growing in a natural forest environment have their roots anchored in a rich, well-aerated soil full of essential nutrients. The soil is blanketed by leaves organic materials that replenish nutrients and provide an optimal environment for root growth and mineral uptake. Urban landscapes, however are typically a much harsher environment with poor soils, little organic matter, and large fluctuations in temperature and moisture. Applying a 2"-4" layer of mulch can help mimic a more natural environment and improve plant health. The roots of most trees can extend to a width of 2-3 times the diameter of the canopy of the tree. Additionally, most of the fine, nutrient and moisture absorbing roots are located in the top few inches of the soil. These roots require oxygen and moisture to survive. A thin layer of mulch, applied as broadly as practical, can improve the soil structure, oxygen levels, temperature, and moisture availability where these roots grow. **Continued on page 36**

Proper Mulching Techniques continued from page 34

Not too much!!

As beneficial as mulch is, too much can be harmful. The generally recommended depth is 2"-4". Unfortunately, Virginia landscapes are falling victim to a plague of over-mulching. A new term, 'mulch volcanoes,' has emerged to describe mulch that has been piled up around the base of trees. Most organic mulches must be replenished, but the amount of replenishment required depends upon the rate of mulch decomposition within your landscape. Thoroughly inspect your mulch beds to ensure that you maintain only a 2"-4" level around your trees and shrubs

Proper Mulching

- *Rake the old mulch to break up any matted layers prior to adding new mulch.*
- *Keep mulch back a minimum of 2" from the trunks of trees and shrubs*
- *Use a well aerated and composted organic mulch to help improve soil conditions. Avoid sour-smelling mulch!*
- *Composted wood chips that contain leaves and bark make great mulch.*
- *Mulch a 2"-4" layer out to the drip-line of the tree, or farther if practical.*

(OPEN BAND CUSTOMER FORUM) SOUTHERN WALK TECHNOLOGY COMMITTEE

A forum for Southern Walk residents to discuss concerns and solutions regarding OpenBand. Meets the 1st Monday of each month at the Nature Center. For info, contact Erika Cotti at ecotti@smartneighborhood.net, 703 932-1385.

Nothin' But 'Net

From the Federal Trade Commission.

Submitted by: Dawne Holz, HOA Technology Committee member and Consumer Education Specialist at the FTC.

Seeing Through Stimulus Scams

With talk of stimulus plans ruling the news, it's no surprise a new round of scams are afoot. Here's how it goes: The email says you're eligible to get an economic stimulus payment. You just have to send back a form or submit one online to get it. The message might appear to come from a rebate company or look like it's straight from the Internal Revenue Service (IRS).

But the promise of stimulus money in return for a fee or financial information is always a scam, according to the Federal Trade Commission (FTC).

There's more than one way to perpetuate a stimulus scam. Some scam artists ask you to send a small processing fee, supposedly to get a much larger check in return. That's money you'll never see again. Others skip the fee, and instead, ask for your bank account number so they can "deposit" your check. Then, they use the information to clean out your account or open new ones using your identifying information.

Some stimulus scams encourage you to click on links, open attached forms, or call phony toll free numbers. But simply clicking the link or opening the document can install harmful software, like spyware, on your computer. The result could be your personal information ending up in the hands of an identity thief.

If you get a message offering you money from the stimulus program in exchange for your personal information, ignore it, delete it, or throw it out. The IRS doesn't send emails like this asking for personal information, and rebate companies claiming to have stimulus payments for you should not be trusted, regardless of how plausible the script sounds or how official the forms look.

When a stimulus plan does involve a check to you (it may not), you won't need to fill out a separate form in an email or give out personal information — like account numbers or your Social Security number — to someone who calls you out of the blue.

If you get an unexpected email from someone claiming to be from the IRS and asking you to call a number or email back personal information, forward it to phishing@irs.gov, then delete it without clicking on any links or opening any attachments. If you think you

are the target of a scam, you also can file a complaint with the FTC at ftc.gov/complaint.

If you need to reach an agency like the IRS, don't use phone numbers or links included in an email. Always type the web address directly into your browser, and look up any URL you aren't sure about. Use phone numbers listed on agency websites or in other reliable sources, like the Blue Pages in your phone directory.

The FTC works for the consumer to prevent fraudulent, deceptive, and unfair business practices in the marketplace and to provide information to help consumers spot, stop, and avoid them. To file a complaint or to get free information on consumer issues, visit ftc.gov or call toll-free, 1-877-FTC-HELP (1-877-382-4357); TTY: 1-866-653-4261. The FTC enters consumer complaints into the Consumer Sentinel Network, a secure online database and investigative tool used by hundreds of civil and criminal law enforcement agencies in the U.S. and abroad.

Water You Thinking?

UNDERGROUND IRRIGATION SYSTEMS

Thinking of installing a permanent underground sprinkler system this year? Make sure you use a contractor that's Loudoun Water Preferred. That way, you can be sure your system is well designed, it protects your water supply from backflow, it saves water, and saves you money.
