**Eagle Ridge Middle School
Presents Disney's *Beauty and the
Beast, Jr.* in May!**

Eagle Ridge students, staff and parents have been working hard to bring Disney's beloved tale to life this Mother's Day weekend. Performances will take place on **May 6th and 7th at 7:00p.m., and May 8th at 2:00p.m. and 7:00p.m.** Tickets will be available for advance purchase from April 26th - 30th. Order forms will be available at Eagle Ridge, and on the Eagle Ridge website at www.loudoun.k12.va.us/erms. Ticket prices are \$7.00 for adults and \$5.00 for students.

We hope to see you at the show!

**MATTRESS SALE & CAR WASH
FUNDRAISER**

If you are in need of a new quality mattress, come by **Briar Woods High School** on **Saturday, May 15th** to get **40% off retail pricing** AND support the **Briar Woods Marching Band**. The band is working hard to raise the money they need to pay their way to London, England in December to march in the Queen's New Year's Day Parade. Each mattress or frame that is sold gives the band member you mention a helping hand in reaching their goal. If you do not know anyone in the band, the proceeds will help cover the cost of the staff and equipment.

These mattresses are from top quality manufacturers including Simmons Beautyrest, Corsicana and Southerland! All sizes are available: Twin, Full, Queen, King, as well as bed frames. You don't have to worry about taking the mattress with you as delivery is available. Please come by and check out the mattresses or at least get your car washed – it's FREE with the purchase of a mattress. Visa, MasterCard, and American Express accepted.

The Broadlands Annual Egg Hunt Was a Big Hit For All Ages!

There were hundreds of kids and their families in attendance and everyone had a great time! Thanks to the volunteers who put this all together and a special thank you to Joe Knows Real Estate for coming out and cooling us down on a hot day with his crazy color-changing cups! Thanks also to Van Metre, Domino's & Ron's team at the UPS Store.

Gotta love the Broadlands!

The Spring Community Yard Sale will be held on **Saturday, May 8th, 2010** around the Broadlands from **8:00a.m. to 2:00p.m.**

Please think about going "green" and bring along a reusable shopping bag. Check out the list of participants to see what's for sale and see the community map to find each street at www.broadlandshoa.org/node/161. Residents do not have to be on the list of participants to be part of the community yard sale. If you are a Broadlands resident, and would like to be included in the list of participants, please visit the Yard Sale Submission Form on the website.

It is the resident's responsibility to check the list of participants for inclusion and accuracy.

After our planned community yard sale, Door of Hope will have a truck stationed outside of the Nature Center from 8:00a.m. to 4:00p.m. You can donate your leftover items or if you prefer you can schedule a pickup at your location by emailing donate@dohusa.org.

Donations accepted include gently worn clothing and shoes, household items, electronics, computers, cameras, yard equipment, furniture, bicycles, etc. Items should be in good condition. Some items not accepted include large kitchen appliances, sleep sofas, and exercise equipment.

Door of Hope is a not for profit 501c3 organizations. Donations are tax deductible and tax receipts are available upon request. Door of Hope has been servicing the local community since 1994. All proceeds are used to aid the poor locally and abroad. Many of the items donated are available locally through their SACS thrift stores in Ashburn and Leesburg. Some items are shipped overseas to Sierra Leone and Nicaragua, some of the poorest areas in the world. For more information, visit their web site at www.dohusa.org.

Broadlands Community Blog Debuts on LoudounTimes.com

The Loudoun Times Mirror has launched a brand new, online edition at www.LoudounTimes.com. As part of the new format, there is a section highlighting news from communities around Loudoun County. Maureen Burns, Broadlands Association Assistant General Manager, has been invited to be the "Citizen Journalist" for the Broadlands!

This will be the ideal place to get news, announcements, events, photos, fundraisers and much more publicized in a high traffic media forum.

Please send all your news and photos to mamatothree@aol.com and as space permits they will be published on the new Loudoun Times.com Broadlands blog.

Update Board Actions March 9, 2010 Meeting

- Approved – Minutes of February 9, 2010 meeting.
- Approved – Motion to uphold Modifications Subcommittee's decision regarding fence top cap board and width of picket gaps (rear of fence excepted).
- Approved – Allow owner sixty days to complete work.
- Approved – Parking Regulations and Enforcement Procedures Resolution as amended.
- Approved – Four write offs suggested by the attorney.
- Denied – Waiver request presented in package.

General Manager Comments

- There has been a new replacement tot lot completed between Harvest Green Terrace and Welby Terrace. Check it out with your kids. New mulch and various repairs should be completed soon at all other tot lots.
- The pools are being readied for **opening day on May 29, 2010**. The Community Center Pool will have a new white coat on the main and wading pools and various other repairs will be completed at all other pools prior to opening. I hope you enjoy your pool season!
- Please don't forget the **Annual Meeting on May 11th** this year. We will have the meeting at Mill Run Elementary School again this year. At the time of this writing, I am pleased to say we have five nominating petitions for the two open Board seats. There is still a potential for more. **Please exercise your right to vote.**

Neighborhood Watch Corner

Warmer weather along with a difficult economy has historically caused crime rates to increase. Loudoun County Crime Prevention wants all citizens to be aware and extra vigilant in the coming months.

Tips to Keep Your Landscaping Crime Resistant

- Bushes and shrubs should not be allowed to grow higher than 24 inches or higher than the lower ledge of a first floor window.
- A well kept yard is a deterrent for burglars. Keep grass mowed and bushes trimmed.
- Check outside lights to make sure they are working properly.
- Keep larger tree's limbs from hanging below six feet from the ground. Your house should be visible by your neighbors so they can report suspicious activity.
- Lastly and most important, get out and get to know your neighbors. A trusted relationship with a few neighbors goes a long way in keeping your community safe.

Tips to Remember Before Leaving on Vacation

- Tell a trusted neighbor when you will be away. Have them pick up your mail, newspapers, and keep an extra eye out on your property.
- Make your home look as if it is occupied. Have your lights on timers that have random on-off switches.
- If you have an automatic garage door opener make sure you lock, unplug, or turn the power off to it. Consider using the manual lock.
- Call the Sheriff's Office nonemergency number and ask for a patrol unit to check on your house while you are away.
- Secure all vehicles that will be left at home and remove all small electronics, garage door openers, and money from those vehicles.
- Make sure the yard is maintained as this is a good indicator of whether or not the owner is away.

BROADLANDS ASSOCIATION

NOMINATING PETITION/CANDIDATE PROFILE SHEET

I am willing to serve on the Broadlands Association Board of Directors.

Please include my name on the BALLOT for this election.

NOMINEE **PLEASE PRINT OR TYPE ALL INFORMATION**

NAME: **Eric Bazerghi**

ADDRESS: **43087 Autumnwood Square**

TELEPHONE: **HOME: 703-723-1046** **WORK: 703-623-1509**

QUALIFICATIONS:

I have been a Broadlands resident since 1999 and have served on the Broadlands Board of Directors since May 2007. I have also actively served on the Broadlands Technology Committee for the last 10 years. I am married with two children, and I am a Senior Technical Architectural Expert with a large Fortune 150 company, managing and architecting medium to large web-based systems for both government and commercial sectors.

Accomplishments during my service as a member of the Board and Technology Committee include:

- I have made a point to attend all HOA Board meetings, even calling into the meetings on a few occasions while I was traveling on business.
- I believe I have been an active and vocal participant on the Board, striving to keep costs down, while maintaining a level of quality services our residents expect.
- Managing the Broadlands website, as well as the Forums on a daily basis since their inception.
- Actively volunteered for a variety of Broadlands community events, such as the Visit with Santa and Halloween Parade events.
- Part of the core team that has been offering the Broadlands Flicks in the Sticks events for the past 5 years.

AREAS OF INTEREST:

I truly enjoy living here in Broadlands, and our family plans to make this our home for many years to come. As such, I find it a natural extension to try and further my involvement with the community I live in. As a technologist, I have tried to bring more 'tech' into our Board meetings. For example, I always bring a laptop with me in order to instantly bring up detailed aerial maps of any location we happen to be discussing. I also monitor the Forums and try to bring forth issues discussed there. Also, I am a firm believer that what differentiates Broadlands from our surrounding areas is the 'sense of community' we share here. It's important that we continue to drive this through a variety of events and offerings that bring our residents together, while trying to keep our costs down. As a member of the Board of Directors, I try to incorporate this 'sense of community' in my decision-making process, as well as the needs, concerns and expectations of the residents who elect the members of the Board.

NOMINATING PETITION/CANDIDATE PROFILE SHEET

I am willing to serve on the Broadlands Association Board of Directors.

Please include my name on the BALLOT for this election.

NOMINEE **PLEASE PRINT OR TYPE ALL INFORMATION**

NAME: Brian Beahm

ADDRESS: 21968 Stonestile Place Broadlands, VA 20148

TELEPHONE: **HOME:** 703-726-6360 **WORK:** 703-846-3368

QUALIFICATIONS: (Pertinent Biographical Information)

I have lived in Broadlands since 2004 and have been on the Board of Directors for the last 3 ½ years . I was appointed to serve out a vacant seat on the Board in 2006 and elected to the Board in 2007. In addition to my time on the BOD I have served on the Modifications Subcommittee and as part of the Southern Walk Tech Committee.

Prior to my time here in Broadlands, I served on several other Boards; President of Ashburn Farm Homeowners Association ('98-'00) and President Carisbrooke Homeowners Association ('02-'04) as well as service on the Architectural Review Boards in those communities also. During my time on these Boards I helped with the important step of taking the communities from Developer controlled to homeowner controlled.

Professionally, I work for a large energy company where I spend most days making sure that there is ample supply of our products along the US Gulf and East Coasts. This involves negotiating deals valued in the millions of dollars. I have also been involved in several analytical roles where I developed/tracked and reviewed budgets in excess of ~\$35million/annually.

AREAS OF INTEREST: (Why would you like to contribute your time to the Community as a member of the Board?)

I have always believed that being involved in the community I lived in was good idea. After all we pay good money to live here and being involved gives me the opportunity to have a say in where the money goes and to make sure it's being used wisely. My experience in the corporate world and on HOAs gives me the experience to continue to make Broadlands a great place to live.

Over the last several years my goal has been to maintain the services that we enjoy in Broadlands while at the same time minimizing the costs to residents. If elected I will continue to work to keep dues increases to a minimum by finding other ways to get things done, or asking the tough question "Does it really need to be done?".

QUALIFICATIONS: (Pertinent Biographical Information)

I am a Commander in the U.S. Navy Submarine Force. My wife, three kids and I moved here in October 2009 and I am ready to get fully involved in the community. I have held a number of leadership and managerial roles including my previous job as the Commanding Officer of the USS MINNEAPOLIS - SAINT PAUL (SSN 708). I hold a Bachelors degree from Cornell Univ in Engineering and two Masters degrees, including one in Management from ODU.

AREAS OF INTEREST: (Why would you like to contribute your time to the Community as a member of the Board?)

Within the Submarine Force I have been a champion for continuous improvements. I would like to bring that energy and experience to assisting our community. Next year I will have a child in elementary, middle and high school, so I understand the gambit of challenges that parents face. Finally, as a man who has served in the Navy for nearly 21 years, I like to get things done. Note - I intend to remain in the Broadlands until my youngest graduates high school.

BLOOD DRIVE**

The Ashburn Ruritan Club in conjunction with the Inova Loudoun Hospital Blood Donor Services will sponsor a drive to help insure an adequate blood supply is available to meet local urgent requirements. The drive will be conducted on the 11th of May 2010 at the Ashburn Public Library from 3:00p.m. until 8:00p.m. Area residents over the age of 17 years including high school students are eligible to become donors. Students 16 years of age can donate but must have parental consent.

In order to create a friendly competition among local high schools (Briarwoods, Broad Run, and Stonebridge) the Ruritans will donate \$200 to the student activity fund of the high school that provides the most donors. In addition, all donors will receive a free entry into a raffle which will provide gift cards good for meals or for other prizes donated by community oriented restaurants and other businesses. Demonstrate your support of our community by participating in this event. While walk-ins are welcomed, donors may reserve a specific time to donate by calling 1-866-256-6372.

How to Stay Safe While Exercising Outdoors

Loudoun County Sheriff's Office Crime Prevention Unit has offered the following tips about how to keep safe when outside running, jogging and walking.

- Pay attention to your surroundings and don't get complacent.
- Stay in groups.
- Tell people where you are going and when to expect you back.
- Carry a cell phone and ID with you.
- Try to only go out in the daylight hours.
- Walk, jog, or run on well lit and well traveled pathways.
- Vary your walking/running paths.
- Report any suspicious activity.

As always please call in any suspicious activity to the Sheriff's Office. Let's all plan on having a fun and safe summer.

Girl Scouts Support Local Marine with Gifts of Caring

Broadlands Girl Scout Troop 5809 chose the Marine Corp Platoon of a Broadlands resident as their Gift of Caring recipient for this year's Girl Scout Cookie Drive. When selling their ever popular cookies to neighbors, friends and family they offered everyone the opportunity to purchase boxes of cookies that would be sent to the troops.

The girls received a great response and have shipped 70 boxes of cookies to the platoon. The girls offset the cost of shipping by foregoing the traditional incentives for an extra five cents per box cash back to the troop. Troop 5809 wants to thank everyone for your support in this cookie drive...Great job ladies!

Eagle Project Needs Old U.S. Flags

Worn, soiled, or frayed U.S. flags are being collected for a proper retirement ceremony as part of an Eagle Project. If you have any U.S. flags needing retirement, they can be deposited for retirement at:

- 1) A collection box located in the lobby area of the Ashburn Fire Station
20688 Ashburn Road
Ashburn, VA 20147
- 2) A collection box located at the Ashburn Cavalry Baptist Church on Tuesday nights (7:00p.m. - 9:00p.m.)
43825 Jenkins Lane
Ashburn, VA 20147

The flags are scheduled to be retired by the Boy Scouts of Troop 1158 at the Ashburn Fire Station parking lot, from 1:00 pm to 5:00 pm on May 8th 2010.

The Critter Corner
By Dr. Steve Velling
Ashburn Village Animal Hospital
“Spot On”

The EPA made an announcement on March 17, 2010 concerning their investigation of topical flea and tick products. They announced that new labeling requirements, public education, and monitoring for adverse events will become part of increased regulatory efforts to combat the rise in reactions seen with these “spot on” products.

This comes after a year of investigations following an increase in the number of reactions (nearly double) from 2007 to 2008. Though the majority of reactions reported were minor, a small percentage of them included seizures and rarely death. The more severe reactions were mostly from inadvertently placing canine spot-ons to cats, or from small dogs receiving too much product (say from a vial meant for a larger dog).

EPA spokesman Steve Owens said, “These products are safe and effective, but the labeling is inadequate”. Of note, products sold through veterinarians had a much lower percentage of cat incidences compared to dog incidences. The reason for this relatively low occurrence may be that since this product is sold through veterinarians that there is a higher compliance rate for proper use and/or the product has a lower percentage of the active ingredient. It is good to know that the overall reaction percentage in these cases was about 1.6 incidences per 10,000 doses.

These products are meant to repel and kill fleas and ticks, and they do a good job. Still, they have to be used with caution and understanding. If a cat accidentally receives a permethrin-based topical preventive, it can have seizures and possibly die. Also, if a small dog receives too much products, it can cause a local irritation or possibly burn.

The alternatives are few. You can try mild, safe products like Avon Skin-So-Soft, but these are only somewhat effective in protecting against fleas, and especially ticks. You can try oral products that protect against fleas, and vaccinate against Lyme Disease. Or you can do nothing and hope that your dog doesn't get bitten by a tick and contract Lyme Disease (which is currently an epidemic in Loudoun County). Personally, I use the spot-ons that we sell on my dogs and I am totally confident that they are doing their job in a safe and effective way with no side effects.

I hope this helped answer some of your questions, but if you have any more, please feel free to contact us!

Till next time,

Summer Nature Camp

Kids Grow Better Outside!

Give your child the gift of the outdoors this summer. Our nature camps take place at the Broadlands Nature Center and are the best way to get kids outside and learning. Our camps feature eco-crafts, games and nature exploration. The Nature Center and all of its animals and activities will be our home as we explore the natural world around us.

To register online:

- Go to www.audubonnaturalist.org.
- Click on Register Online and follow the prompts

For questions about the registration process please call 301-652-9188 x16

We encourage people to use the online registration system; however, if you prefer, we will mail or email you a registration form.

CAMPS FOR 4-5 YEAR OLDS

Cold-Blooded Critters: June 21st-25th 9am-noon

Scaly, slimy and surprising; cold-blooded critters are fascinating creatures with some wild adaptations. Non-poisonous snakes eat poisonous snakes, some frogs can freeze solid in the winter and a turtle's favorite food may surprise you! Join us as we meet the cold-blooded critters that live in Broadlands then look outside for some of their wild relatives.

Super Duper Science: June 28th-July 2nd 1pm-4pm

Slime and bubbles to wheels and balls - we cover it all in this fun, hands-on science exploration. Hands-on science experiments will help us learn all about mixtures and movement in this camp perfect for budding scientists. We will then go outside to find similar science in the outdoors.

CAMPS FOR 6-7 YEAR OLDS

Wet N Wild: June 21st-25th 1pm-4pm

Water is essential to life on this planet! Learn more about life in ponds, rivers, and watersheds in this cool camp. And of course, we will be playing some extreme water games.

Creature Feature: June 28th-July 2nd 9am-noon

Meet a live animal every day in this exciting camp! We will investigate the differences between wild animals and pets, including their different adaptations. Before we meet our live guest, we will practice safe handling and how to respect our new acquaintances. We'll finish every day seeing and touching the animal we have learned so much about!

Cost: Broadlands Residents: **\$120** Non-Resident: **\$150**

When Your Pet is No Spring Chicken Anymore

by Shannon M. Pecora, M.A.
Stream Valley Veterinary Hospital

Hampton the hamster used to run in his wheel all night, and now he likes to spend his evenings sleeping in his fluffy bedding. Callie the cat used to pounce on your feet whenever you walked down the hallway, but now she prefers napping in your favorite easy chair. Dexter the dog used to wear you out with hours of fetch in the backyard, but now his hobby of choice is snoozing next to you on the couch.

As our pets age, it is natural that they'll slow down a bit. But you can help restore some of that old energy level with a little encouragement. Try giving Hampton a different type of gnaw/chew toy, or try giving him an extra ten minutes or so a day in his exercise ball. Has Callie ever seen a laser light toy before? This mysterious red dot could offer her endless chasing entertainment. Instead of asking Dexter to "shake" or "speak" for his treats, put them inside of a Kong-type toy. His mind and his body will have to be active to retrieve his cookies.

While some laziness is okay for our older pets, pronounced inactivity or lethargy could signal issues other than age. For dogs and cats at least, we can use exams and blood and urine testing to seek out treatable problems. One common ailment is arthritis, which can be alleviated with supplements, massage, or exercises as directed by your veterinarian. Blood and urine screening may reveal thyroid problems, which can affect appetite and energy level among other things, but medication and routine lab work can help regulate the condition. From cataracts to cancer, there are so many "old age complaints" that can affect our dogs and cats. That's why semi-annual (or even more frequent) senior pet health exams are important; with conditions that are treatable or manageable, your pet's quality of life does not necessarily need to deteriorate as he or she ages.

I often lament that I'll never be able to bring my two Shepard mixes on a five-mile run again. In their twelfth year, sometimes a brisk walk around the neighborhood leaves them tuckered out for a couple of hours. But I do ask them to follow me as I haul laundry up and down the stairs, and I still toss their tennis ball so they'll chase it a few times a day. I like to keep them as active as possible, while being careful not to cause injury. I miss the tug-and-wrestle days of their youth, but at least I know that I now have a couple of reliable snuggle companions who will gladly share the couch with me for the entire duration of the evening news.

Magic of Monarchs

Free Family Program

Date: Sunday, June 13th

Time: 7:00p.m. to 9:00p.m.

Location: Broadlands Community Center

Join us for a wonderful discussion of Monarch butterflies, their lifecycle and their amazing migration! In February 2009, Nicole Hamilton traveled to the mountains of Mexico to visit the Monarch butterfly overwintering sites. What she saw in these mountain respites was phenomenal. Through video, sound and photos, she will share this experience with you, talk about the great Monarch migration, their lifecycles and their habitats, both here and in Mexico, and provide information on how you can create a Monarch Waystation in your backyard and be part of this amazing phenomenon. Handouts will be available and there will be door prizes. For more information contact Oya Simpson at (703) 725-8040

MAY IS NATIONAL BARBECUE MONTH... CELEBRATE ALL THINGS BARBECUE!

Grilled Salmon with Thai Lemongrass-Coconut Sauce

LEMONGRASS-COCONUT SAUCE:

4 tbs finely minced lemongrass (fresh or frozen)	crushed chili
5 cloves garlic	¼ cup coconut milk
½ tsp chili powder	1/3 cup liquid honey
½ fresh red chili, minced, OR	6 tbs fish sauce
¼ to ½ tsp cayenne pepper or dried	juice of 1 lemon

OTHER:

2 to 4 salmon steaks or fillets, a little fresh coriander for serving and 1 tsp. cornstarch dissolved in 3 tbs water.

Combine sauce ingredients in a food processor to create a lemony sauce. Pour 1/3 of sauce over salmon, reserve rest for later. Cover coated salmon and set in refrigerator to marinate for up to several hours. Grill salmon over a hot oiled grill until inner flesh is no longer translucent when gently pulled apart. While salmon is grilling, place remaining sauce in a small sauce pan over medium-high heat. Bring to a boil, then reduce to a simmer. Add cornstarch dissolved in water and stir until sauce thickens. Remove from heat. To serve, spoon sauce over each portion. Add sprigs of fresh coriander and serve remaining sauce on side together with Thai jasmine. *Grilling Tips:* Use an oiled fish cage or place a piece of banana leaf over your grill instead of tin foil for delicate fish. The leaf will turn fragrant and will brown as you cook. SERVES 2-4. About.com

Peruvian Roasted Chicken

This rotisserie chicken became hugely popular along the East Coast of the United States a few years back and is a tasty way to make a bird with enough flavor to satisfy anyone, but mild enough for everyone.

1 whole chicken (about 4 lbs)	1 ½ tbs cumin
4 tbs white vinegar	2 tsp black pepper
3 tbs white wine	1 tsp salt
3 tbs canola oil	juice of 1 lemon
2 ½ tbs garlic powder	1 quart cold water
2 tbs paprika	

Combine vinegar, wine, oil, garlic powder, cumin, paprika, black pepper, and salt. Mix to form a paste. Add lemon juice to cold water. Trim chicken of any excess/loose fat. Wash chicken with lemon water. Place chicken in zip-top bag. Pour spice paste over chicken. Coat chicken completely with mixture rubbing into every surface including under the skin as much as possible. Seal bag and place chicken in refrigerator for at least 2 hours, no longer than 24 hours. Preheat grill and prepare rotisserie. Place chicken on rotisserie and on the grill for approximately 1 ½ hours at 300 degrees. Chicken is done when thigh reaches 165 degrees. This chicken is frequently served with dipping sauce. A simple version of this sauce is made from combining ½ cup of mayonnaise with 2 tablespoons mustard and 2 tablespoons lime juice. About.com

Baby Back Ribs (Slow Cooker)

These baby back ribs might not be bathed in smoke, but they still a lot of flavor. This slow cooked recipe will give you a great set of ribs even if can't prepare it outdoors.

4 lbs. pork baby back ribs	¾ tsp black pepper
¼ cup of barbecue sauce	¾ tsp on white pepper
1/3 cup dark brown sugar	¾ tsp ground oregano
1 tbs paprika	½ tsp cayenne pepper
1 ½ tsp chili powder	¼ tsp sugar
1 ½ tsp salt	½ chopped onion
1 tsp ground cumin	

Trim excess fat from ribs. Combine dry ingredient and rub over the surface of the ribs. Place ribs in slow cooker or Crock-Pot standing on their edge with the meaty side out. Top with onions. Cook for about 8 hours. Remove ribs from slow cooker and brush with barbecue sauce. About.com

Pool Season is Coming Up... Do You Know Where Your Pool Passes Are?

It's time to start looking in the bottom of your pool bag or maybe in the drawer with the swimsuits for your Broadlands Photo ID pool passes. Everyone aged 5 and up who wishes to gain admission to the pools will need one. **If you are an owner and have the pool passes you used last year, you do not need to reapply. We will electronically reactivate them.** If you cannot find your passes, new ones can be issued free of charge prior to the opening of the pool on May 29, 2010. After the pool opens, replacement cards are \$5.00 each. If you want a new picture for your replacement pass, there is a charge of \$7.00, regardless of when the pass is issued.

New residents must fill out an application, return it to the Nature Center and have your photos taken. Applications are available at the Nature Center, in this newsletter on page 29 or online at www.broadlandshoa.org under *Pool Information* in the Directory on the left hand side of the home page. Pool passes are issued to each individual aged 5 and up living in the household. A household consists of all persons permanently living in the dwelling, including live-in caretakers and any unmarried children who are students and/or from a previous marriage and who will be residing with the owner for the summer.

Tenants must also apply for pool membership. **The owner and tenant must complete a Tenant Membership application for the 2010 season even if the tenants were members in 2009.** Tenants may use the passes they have, but they will not be activated until an application is received at the HOA office. Applications are available at the Nature Center, in this newsletter on page 30, and online at www.broadlandshoa.org.

If any of your children have turned five since last summer or will be five by June 1, 2010, they must have a picture taken and a pass made. Please use the resident application form on page 29 and return it to the Nature Center to add them to your family data base. Any individual who has turned 18 will need a new adult card made as well.

Pictures will be taken at the Nature Center from 9:00a.m. to 5:00p.m. Monday through Friday on a first come first served basis. Additionally, the Nature Center will be open for photographs on the following Saturdays: May 8th, 15th and 22nd from 10 a.m. to 2 p.m.

Prior to having the photo taken, all adults aged 18 and up must show a photo ID and proof of address.

Photos will not be taken if acceptable proof of identity and address are not available.

Acceptable photo IDs include:

- Driver's License
- School, Military or Work Photo ID
- State Issued Non-Driver Photo ID
- Current Resident Alien Photo ID

Acceptable Proof of Address include:

- Payroll Stub issued within the last 60 days
- 2009 W-2 or 1099
- Original Bank Statement issued within the last 60 days
- Current Virginia Voter Registration Card
- Settlement Papers or Deed

Non-resident caregivers are able to obtain a pass for \$40 for the season. They should be noted as non-resident caregivers on the resident's application. The fee must be paid at the time their photo is taken and the pass issued. The resident must accompany the caregiver to the photo session and show proof of identity and address.

Up to 5 long-term house guests may obtain pool passes for \$40 per person for the season or \$15 per person for a month (30 consecutive days) or \$5 per person for seven consecutive days. They must be noted as non-resident house guests on the resident's application. The fees must be paid at the time their photo is taken and the pass issued. The resident must accompany the guests to the photo session and show proof of identity and address.

Ten guest passes are allocated to each **residence**. Additional guest passes, good for 10 visits may be purchased for \$20. Guest passes are added to the electronic account. No physical pass will be issued. Guests must be accompanied by a pool pass holder to gain admittance to the pool facility.

Please direct questions to the Nature Center at 703-729-9704.

This past February I went to the IDEA conference. It is a conference for fitness professionals to hear and see the latest in our industry. My clients would tell you that I say this after every conference, but seriously, this was the best conference I have ever attended. I could give you many reasons but primarily because the presenters and speakers that attended are at the top of the industry. I came home more inspired than ever and ready to spew all of my new knowledge onto my clients and my community, via the newsletter...lucky you.

One of the many classes that I attended was about functional anatomy, which was taught by Michol Dalcort. I've heard him speak before and I am always amazed at the knowledge he has, but more importantly, I am impressed with how much I can take away from his workshops to use immediately. He started out his session with a little story that has really stuck with me, I'll do my best to share it with you.

Scenario #1

Imagine that you are out driving around, listening to music, squashing sibling squabbles in the back. All of the sudden you are struck by an interesting sight. A man up ahead on the sidewalk was walking and all of the sudden he stops walking and starts squatting, he does what seems to be at least 20 squats and then continues on his merry way walking down Claiborne. You think to yourself, what was that about? Take that same guy and put him in a gym doing squats...perfectly normal now right?

Scenario #2

You are at the gym, getting your normal workout in checking out the latest tabloid headlines when you notice something a little different. Another gym member is walking around and putting down weights. Your first thought may be that he is being nice and cleaning up left out weights. But then you see him picking them up and moving them again. It seems like maybe there is a purpose to it but you can't figure out what it may be. Again you are thinking, what? What if we saw that same guy out in his yard? He's picking up bags of mulch and moving them around the yard, bending down scooping out mulch, standing up to spread it. We would all drive past and think nothing of it.

The idea here is that there is a disconnect between what we do to 'workout' and what we do in real life. Think back to scenario #1, why is it that we think it's entirely normal to walk or run down the street but doing squats or another exercise seems weird? Amazing that you can simply change the setting and your perception of the situation changes. When you think about it, it makes perfect sense to get in some extra work during a walk. The number one complaint I hear from clients about working out is that there is no time. The second complaint is that exercise is hard. Many of us do find time to walk the dog, or walk the kids to school, maybe take a walk after dinner. What if you added in a few elements to the walk to get the heart pumping a little harder. It would take a little more effort than just walking but would not have to increase the time and you could blast a bunch of extra calories. Cool, right? The next time you take a walk, add in 5 sets of squats. Every couple minutes do 10-20 squats. If that's too easy, make them squat jumps or add in lunges and push-ups, the sky is the limit.

Scenario #2 is great. Let me preface this with saying that there is nothing wrong with weight training. There are definitely some benefits that can be derived from it and many people love it, not to mention that it is good to expose your body to a variety of exercises. I just want to challenge people to look at exercise from a more functional standpoint. To me, the workouts that you do should have some correlation to daily activity needs. I can't tell you the last time I needed to bench press one of my kids. On the other hand, I can absolutely sympathize with the guy moving bags of mulch around the yard. As a parent, how many times a day do you move a child up and into a carseat? There are so many repetitive daily activities that we all do that require balance and strength. Ask yourself, are you training those muscle? Are you able to do your daily tasks as efficiently as possible? I would challenge you all, next time you workout, think of one of those daily movement, how could you mimic that during a workout?

If you need any quick tips to get you started, feel free to send an email and I can help get the gears turning. I hope to see a variety of new exercises at the gym and all of my neighbors out squatting and lunging down Claiborne. Good luck!

**The Loudoun Museum presents
*Tea Past and Present***

Who: Lisa Scruggs
Tea Artisan & Consultant, *Infuse Me*

When: Friday, May 7th at 7:00 p.m.

Where: Generously hosted by Morningside House
316 Harrison St. SE, Leesburg
(lower level entry from Harrison St./ one half block south of Market Station). Small parking lot next to the building. Street parking on Harrison St, SE.

What: *Ever wonder how America grew from a tea drinking colony into a nation of coffee drinkers? Why has the younger generation begun to rediscover the joy of tea? What is the difference between black and green tea?*

Join tea artisan Lisa Scruggs to learn these answers and many more as she shares her wealth of knowledge at our First Friday Lecture! Ms. Scruggs will relate the history of tea using items from the Loudoun Museum's and private collections. In addition to this rich history, she'll explain the differences between teas, how tea blends are made and teach us how to decaffeinate at home.

Tea and scones will be served. Please come and enjoy a delightful evening for both your palate and your mind.

"There is a real thirst for tea knowledge out there." says Lisa, *"My goal is to shatter the American perception of tea; it's not just for old ladies anymore!"*

Swim Lessons Offered This Summer

Broadlands in conjunction with High Sierra Pools will again be offering swimming lessons this summer. There will be three different sessions available beginning Monday, June 21st. Each session is comprised of eight lessons over 2 weeks taught between Monday - Friday depending on the pool. Nemo and Sea Turtle lessons will be held Monday, Tuesday, Wednesday and Thursday mornings at the Summerbrooke pool. Dolphin and Shark lessons will be held Monday, Tuesday, Thursday and Friday at the Southern Walk pool.

Make-up days will be scheduled as needed for classes that were canceled due to bad weather, instructor absence or mechanical failure of equipment. There is a minimum of four children required to run a lesson with a maximum of seven children in each group. The duration of each lesson is 30 minutes. The cost of a regular group lesson session (8 classes) is **\$70**. The cost of a regular individual lesson session (8 classes) is **\$280**.

If you are interested in having your child or children participate, please visit our website to register: <http://www.highsierrapools.com/services/swimming-lessons/> or e-mail veronika@highsierrapools.com for more information. Evening and adult lessons will also be available. A full description of each session and each level is available online.
