

Potion's Class 401

Saturday, May 13th
10:00am-11:30am at the Nature Center

Learn how to concoct potions with the Naturalist

Potions you will prepare and take home include allergy tonics, bath salts of your flavor, elderberry syrup for immuno boosting, and bubbly drinks for energy.

Ages 8+ are welcomed, but adults are recommended to attend. Hot pots, tiny glass vials, and other devices of lovely witchcraftery will be present, you know your kids' limits, please don't send muggles who will leave the Nature Center looking like it went through the Battle of Hogwarts. All will take home their own concoctions & recipes.

\$15.00 per participant.
