See Youuuuuuu in Septeeeeemeberrrrrr

And just like that, summer is over in the blink of an eye. It was a rainy, stormy, humid one, but we’ve made it to fall with the kids going back to school, the closing of the pools, and increased commute times. We had a great time celebrating summer at float nights, summer celebration, Flicks in the Sticks outdoor family movie nights, Broadlands Live! free concert series, and we have one last pool event - the Pooch Pool Party, which is guaranteed to be a big hit once again this year at Summerbrooke Pool. Be sure to bring your pup out on September 8th to say your official goodbye to the pools for the season. If you’re worried the time for fun is over, don’t panic as we have plenty of fun fall events to peak your interest. Check out our Antique Car Show, Holiday Craft Fair, Halloween Parade, Middle School Dance and the always popular Visit with Santa events, not to mention our array of nature activities including the ever-popular Friday night Whomping Willow Camp Outs. We hope to see you out and about as you get settled into your fall routine.

Speaking of which, as we settle back into the school and work routines, we’d like to remind everyone that the start of school brings a lot of pedestrian and bicycle traffic on our roads, sidewalks, and trails, particularly with the expanded walk zones. Broadlands is home to two elementary schools and one middle school, plus an array daycares, churches, and after school programs. Drivers must be aware of the increased child pedestrian traffic throughout the county and aware that school children often aren’t as visible as adults due to their smaller statures. For those dropping their children off at the schools or waiting at bus stops, please be aware that double parking, parking in fire lanes, blocking of intersections, as well as making u-turns in the middle of the road are all illegal. Please also be mindful of your neighbors and do not use their driveways to turn around. There is also an increase in newer drivers as the teenagers are able transport themselves to schools. Most importantly, don’t text and drive!

Broadlands has three underground tunnels to help keep our residents safe; one on Claiborne Parkway connecting Hillside Elementary with Harvest Green Terrace, another on Claiborne Parkway which connects the Nature Center with Village Drive (close to Mill Run and Eagle Ridge), and a third on Waxpool connecting the Community Center with the LeFevre Stone House (close to Eagle Ridge). We encourage all bicycle and pedestrian traffic to utilize the tunnels rather than cross these main roads, even at stop lighted intersections. Heritage Landscape Services sweeps each tunnel for debris and graffiti every Monday in conjunction with their trash can services to help keep these tunnels clean and safe for school children as well as the walkers, runners, and bikers who regularly use the path. However; accidents, vandalism, and spills can happen in an instant and we are not always aware of them. If you are aware of an unsafe or vulgar condition in the tunnels, please report them the HOA office at 703-729-9704.

If you have a child attending school this year, please be sure to check out the article on page 20 all about back to school safety. The HOA has agreed that the Nature Center can be used as an official safe house for the schools in case of an emergency. Our normal business hours are Monday through Friday from 9am-5pm, with staff members available to assist in contacting the police in case of an emergency. Please stop by to ensure that your child knows where we are located. They may want to stop by regularly on their way home from school just to visit our friendly animals!

Cheers,
Sarah

Rules, What Gives the Association the Right to Tell Me What to Do?

In a nutshell: the association declaration and state law gives the association the authority to regulate some of what you can do in our community.

Community associations have a governmental component. Like a city or county government, a community association has a charter—called the declaration. The declaration encompasses bylaws, covenants and other documents that give community associations their legal foundation.

These governing documents obligate the association to preserve and protect the assets of the community. To enable the board to meet this obligation, association governing documents also empower the board to make rules and define the process for adopting and enforcing them—within limits. Governing documents also establish parameters for the nature and type of rules the board can make.

State law gives associations the authority to make rules. These are called common interest community statutes, and they apply to condominiums, cooperatives, and property owners associations.

Remember, however, that the board can't make or enforce any rule that is contrary to the governing documents, local ordinances, state law or federal regulations. Remember also that the board makes rules on your behalf—to protect your investment, your home.

Need a More Secure Recycling Bin?

Residents who currently have the smaller, open recycling bin through Patriot may swap out for the larger, lidded recycling toter at no additional cost. Please contact Patriot Disposal at 703-257-7100 to make this request. You are encouraged to keep a record of the serial number of your toter(s) should you need to identify it in the future.

Covenants Corner
Lawn Maintenance Violation Notices

Your home is a valuable investment so take pride in your curb appeal. A beautiful home with poor lawn maintenance is aesthetically unappealing. Whether you are a tenant or homeowner, you are responsible for maintaining your lawn so that it meets the requirements of our covenants guidelines. If you are not physically able to keep up with your property or can't find the time, then please consider hiring a lawn service to preserve the quality of our neighborhood.

Primary reasons why you may receive a lawn violation letter from our Covenants Department:

- turf more than 6 inches
- weeds and grass in beds
- overgrown or dead shrubbery or plant growth (including vines running along home)
- tree branches hanging over sidewalks or other properties
- yards with litter, trash, debris or other objects
- other unsightly conditions

IMPORTANT INFORMATION:

- Association staff, contractors, officers and authorized parties are PERMITTED TO ACCESS THE EXTERIOR OF YOUR PROPERTY, front, back and sides, for inspections and lawn maintenance per the bylaws of Broadlands Association, Inc.
- Please remember that lawn maintenance pertains to all parts of the property including FRONT, BACK, and SIDES.
- ALL violations stated in the notice must be corrected to prevent incurred charges.
- The initial violation notice sent will allow 10 days to correct the issue(s). If the violation is not corrected within 10 days, a final note will be sent. If the violation is not resolved in its entirety, and a hearing is not requested, THE HOA OR ITS CONTRACTOR WILL ENTER THE LOT AND CORRECT THE VIOLATION, AND THE RESULTING REPAIR COSTS AS WELL AS AN ADMINISTRATIVE FEE WILL BE CHARGED BACK TO THE OWNER’S ACCOUNT.
- If repeat violations occur within a year of the initial notice, only a final notice will be sent at that time.

If you have questions regarding this process, or have corrected the violation, please contact the Covenants office at covenants@broadlandshoa.com or Suzan Rodano, Covenants Manager at 703-729-9704, option 2.

Throughout the year, the Covenants Manager routinely inspects homes for a variety of issues ranging from trash containers in open view, parking issues, architectural modifications to leftover holiday décor. In addition, certain seasons dictate the need to focus on particular inspections where violations may occur with high frequency.

This helps preserve the property values for home ownership, promotes community harmony and ensures the high standards of living that our residents have come to expect are maintained.

It’s a completely free service to our community, we just need addresses of where to take the blossoms.

How to request a surprise delivery:
Please email Naturalist@broadlandshoa.com and provide the recipient’s address. Be sure to include in the subject line: 4-H Flowers (Broadlands HOA addresses only please!)

Donate to 4-H: If you would like to make a donation to our 4-H chapter for brightening the lives of our neighbors with random acts of mysterious and anonymous kindness, please contact our Naturalist at naturalist@broadlandshoa.com.

Southern Walk Pays Option Price and OpenBand Removes Exclusivity

FAQ's

Who was involved?
Southern Walk at Broadlands Homeowners Association Board of Directors and legal counsel.
OpenBand and legal counsel representing OpenBand and M. C. Dean, Inc. interests.
Broadlands Association Management, Board of Directors, and legal counsel.
Van Metre Companies (for Broadlands Associates and Broadlands Communications) and legal counsel.

What happened and when did this happen?
On Friday, July 20, 2018, the Southern Walk and OpenBand completed a thirty-nine month transition period following the termination of the OpenBand long-term exclusive telecommunications services arrangement, by paying OpenBand a negotiated option exercise price through a third party escrow. The payment to OpenBand triggered the removal of all exclusivity for telecommunications services delivery in the Southern Walk and also resulted in the following:
• OpenBand retains the non-exclusive right to remain in the Southern Walk as a utility provider perpetually;
• Amends the blanket easements conveyed to OpenBand in 2001 to alternate fixed-length/width utility easements and recorded them in the Loudoun County land records;
• Conveys any remaining "reserved easement rights" to the Southern Walk for the purposes of executing the amended easements.

Where and how did this happen?
Negotiations between the various entities listed above occurred over the course of many months, although the nine-month window to work directly with OpenBand spanned late October 2017 to late July 2018. The Southern Walk Board of Directors directly engaged with the Broadlands Association at their monthly Board of Directors meetings as Southern Walk’s Master Association and one of the necessary grantors of the amended easements. The Broadlands Association President and Southern Walk President signed the official documentation on Wednesday July 18th at the Nature Center.

What happens from here?
The Southern Walk Board of Directors has been actively pursuing a telecommunications contract with a Loudoun County franchisee telecommunications vendor for a choice in services for Southern Walk residents. In March 2018, the Southern Walk Board of Directors signed a three-year renewable bulk billing agreement for Internet service only with a third-party provider. Any renewal of the contract is subject to the third-party provider fulfilling its duties under the service level agreement as specified in the contract; renewal terms do not exceed the maximum allowable term of three years.

For purposes of construction of a new broadband fiber optic facility in the Southern Walk, a utility easement is being prepared according to the Broadlands Covenants, Conditions, and Restrictions, which provide for utility easements within the first 10’ of the property line on individual homeowner properties.
As construction of the new fiber optic facility commences, be aware that the construction crews building out the infrastructure may use the first 10’ of your property to construct the facility, and will include digging (and restoring to original condition), installing hubs or pedestals, or other infrastructure necessary to deliver services to the Southern Walk.
Please keep in mind that the Southern Walk Board of Directors cannot predict how soon an alternate telecommunications services provider will completely wire-up the community and will keep the community informed about that progress through the Broadlands Newsletter, at Southern Walk Board of Directors’ meetings throughout the remainder of 2018, and other specially scheduled events.

Side notes:
Notes of thanks go to Constance Miller, Esq, legal counsel to the Southern Walk. Also, Sarah Gerstein, General Manager of the Broadlands Association; Mark Bailey, Vice President, Condominium and HOA Division; FirstService Residential; Denise Harrover, Vice President of Planning and Entitlements at Van Metre; Bennett Ross of Wiley Rein on behalf of OpenBand and M. C. Dean, Inc., and Nancy Gilreath, Vice President and Associate General Counsel, Van Metre.

Dear Broadlands Residents,

The input our office receives from residents in our district is our “to-do” list, and for Broadlands, we’ve been working on some big projects and concerns.

Here’s an update on some of the issues in Broadlands:

Ashburn Recreation Center — We have a new site! The original site for the Rec Center was too small, hard to access, on a hill, and full of rock; due to these constraints, the cost of the project was set to go up by $15 million. Our office put together a land-swap deal with Van Metre that the Board supports to move the site near Clyde’s and the LCPS administration building, saving taxpayers millions and allowing for more amenities and parking.

Greenway Alternatives — The Northern Virginia Transportation Authority (NVTA) recently programmed $112 million for road projects in our district that serve as alternatives to the Greenway, including the Shellhorn Road extension to Route 28 at Sterling Blvd. Thank you to the people who attended the NVTA meeting with me to lobby for these projects.

Waxpool Elementary School Site — Unfortunately, I was the only elected official on either the Board of Supervisors or the School Board who opposed this location, despite heavy opposition from the surrounding neighborhoods. It is too close to Belmont Ridge Road, too close to Hillside Elementary school and Mill Run Elementary school (causing school zoning issues), and too close to houses nearby. Additionally, LCPS overpaid for the site and forced taxpayers to pay for road improvements that benefit the landowner/developer. However, this site is moving forward, and we are trying to improve it by advocating for additional landscaping and more sidewalks leading to the school. We are working numerous safety concerns in the school zone.

Waxpool Widening — The widening of Waxpool Road to four lanes starting at Ashburn Village Blvd. is finally open!

Widening of Belmont Ridge Road — Right of way acquisition should be completed in the next few months. The contractor then has to relocate utilities. Groundbreaking should be Summer, 2019.

As you can see, a lot is happening in Broadlands. Please continue to call or text me with any questions or concerns. Email: Ron.Meyer@loudoun.gov. Cell: 571-442-1088.

Thank you!

Supervisor Ron Meyer

Loudoun Continues to Evaluate Short-Term Residential Rentals; Seeks Public Comment

Loudoun County has launched a survey to gauge the community’s opinions about land use issues related to short-term residential rentals.

With the growth of online listings for short-term residential rentals, Loudoun is continuing to explore land-use and public safety issues surrounding such rentals, building upon prior efforts regarding registration and taxation. The survey is part of the county’s effort to collect and evaluate information from the community that the Board of Supervisors will consider in making decisions about possible future ordinances and ordinance amendments. The Board is expected to consider the topic of short-term residential rentals again in late 2018.

A link to the survey, which will be open through September 7, 2018, is available at loudoun.gov/ShortTermRentals. The webpage also provides background information about the project and a detailed work plan approved by the Board.

Operators of short-term residential rentals in Loudoun County are required to register their properties online annually as of July 1, 2018. Registration is free. The online registration form for operators of short-term residential rentals in Loudoun County is available at loudoun.gov/ShortTermRentals.

Girl Scout Cadette Earns Silver Award

Megan of Girl Scout Cadette Troop 4478 earned her Girl Scout Silver Award by making comfort cases for children in shelters and in transitional housing. The Silver Award is the highest award that a Cadette level Girl Scout can earn. It is earned by completing at least 50 hours on a project of lasting impact.

Megan donated 12 kits to Good Shepherd Alliance for distribution to children in the transitional homes. These homemade kits were filled with lots of small treasures that would bring comfort to the children in these homes.

Megan worked with the Good Shepherd Alliance, an organization that serves Loudoun County’s homeless population. Megan donated 12 kits to Good Shepherd Alliance for distribution to children in the transitional homes. These homemade kits were filled with lots of small treasures that would bring comfort to the children in these homes. In addition to donating the kits she made, Megan collected hundreds of other necessities such as medicine, soap and shampoo to donate to the homeless population. Over 50 boxes of Girl Scout cookies were also donated to Good Shepherd Alliance.

Thank you for your efforts to help children and families in need – Well done, Megan!

Before the Bell Rings: Back to School Safety

As boys and girls throughout the community sharpen their pencils and get ready to head back to class, it’s important to ensure they have a safe school year. Here are some tips on how your family can be proactive and avoid potentially harmful situations:

- Make sure your school has your child’s updated emergency contact information. Write down any specific instructions that should be followed in case of an emergency, and have the school keep them in your child’s file.
- Talk to your child’s teachers before classes start and alert them to any medical issues your child has. Also, explain to the teacher what he or she should do if the medical issues arise—such as an allergic reaction, asthma attack or seizure—and provide school personnel with emergency medication such as EpiPens® (Epinephrine Auto-Injectors) and inhalers.
- Help your children memorize important phone numbers so that they know how to get in touch with you and other trusted adults. Also make sure those numbers are programmed into their cell phones, or provide them with a list of phone numbers that they can keep in their backpacks or wallets at all times.
- Let your children know exactly who they can go home with after school if their regular ride can’t pick them up, and make sure they know not to accept rides from people who aren’t on the list.
- If your children will be walking to school, walk the route with them several times before classes start to make sure they understand traffic laws and can walk the route on their own. Find a friend or sibling they can walk with and make sure they always use the buddy system.
- Show your children which houses or offices in the neighborhood they can go to in case no one is at home after school. The HOA has agreed that the Nature Center can be used as an official safe house for the schools in case of an emergency.
- Report reckless drivers to the police to help make sure the neighborhood remains safe, particularly during times when kids are going to and returning from school.
The Briar Woods Falcon Regiment has been hard at work over the summer preparing a spectacular show based on the Academy Award winning music from Lord of the Rings. Filled with triumphal music, precision marching, the dancing of the award-winning Falconaire Color Guard and stunning sets – including a castle and battle inspired special effects – this year’s show promises to be one of the Regiment’s best ever. The public is encouraged to see the performances during halftime of Briar Woods home football games:

- **September 14th** vs Rock Ridge High School (Future Falcon Night)
- **September 21st** vs Tuscarora High School (Homecoming)
- **October 12th** vs Champe High School
- **October 26th** vs Broad Run High School (Senior Night)

The Falcon Regiment begins its competition season on September 29th at the U.S. Bands Competition at Rock Ridge High School. This is another opportunity for the community to see the Falcon Regiment and some of the best bands in the region as they compete for top honors.

The Falcon Regiment’s success year after year as they represent Ashburn is only possible because of the broad support these young people receive from across the community. Please look out for two critical fundraising events coming soon…

- **Tag Day is Saturday, September 8th.** Beginning at 10:00am and going until 5:00pm, band members will be knocking on doors across Ashburn asking for your support. The gifts you make are used for competition fees, supplies, sheet music, uniform upkeep, special equipment and much more. “We thank you in advance for responding generously to the students’ requests,” says Band Booster President Laurie Greenbaum.

- **On Saturday, September 15th from 10:00am to 5:00pm,** you can help the band and yourself at the same time. The 9th Annual Mattress Sale will be held at Briar Woods High School. The sale features over 20 name brand mattresses with factory warranties. Pillow top, gel memory foam, latex and hybrids ranging from $199 to $5,900 will be on display. If you don’t need a mattress, come check out the range of sheets, cool gel pillows, bed protectors, adjustable power bases and more. And of course, the proceeds go to support the Briar Woods Falcon Regiment. Pass the word to co-workers, family members and friends. Everyone is welcome.
The Broadlands CSL Piranhas team competed again in the Colonial Swim League’s most competitive division—Red Division. It was a tough season, but the swimmers continued to work hard, lower times, and break team records.

The team was once again driven by our amazing head coaches, Sadie McGann and Eric Guessford, who returned for their final year with the team. They brought a passionate junior coaching crew filled with familiar faces—many of them started swimming with the Piranhas at a very young age. Thank you coaches Caitlyn Callaghan, Connor Turbyfill, Jack Moore, Casey Alexander, Annabelle Marcais, Xander Quadt, Jeffrey Bailey, and Hevi Medde-Witage for your commitment and dedication to the program!

We would like to extend a very special THANK YOU to Sadie and Eric for their many years of service in this program. You’ve left a huge mark in our hearts. We look forward to your visits next year, and best of luck in your new endeavors! You’ll be greatly missed!!!

Training began with evening practices in late May. Once school ended, our coaches spent many early mornings in the pool providing personalized training and ensuring all of our swimmers were able to improve their stroke and technique as well as have fun. The kids dropped time each week and we couldn’t be more proud of the entire squad. Keep working hard everyone. We hope to send out information shortly regarding our Piranhas Pre-season Prep (3P) program held throughout the off-season. This is an additional out-of-season training, offered to both CSL and ODSL teams, allowing swimmers to stay wet, perfect strokes, and get ready for the summer swim season.

The team trained hard and had lots of fun throughout the summer. Everyone looked forward to “Donut Fridays,” Hershey Park spirit day, and our themed meets. We had our first friendly intra-Ashburn relay meet, “Battle of the Burn.” We competed against our friends, the Ashburn Farm Barracudas and the Ashburn Pavilion Aquajets, in several mixed-age-group events, including milk jug relays and noodle relays. Congratulations to our 11-12 squad for winning our summer “Penny Wars” competition.

We concluded our season with a lively and fun-filled pool party that allowed the coaches to recognize the hard work and dedication that all of our swimmers put into this season, including our MVP swimmers, our most-improved swimmers, and our new record-breaking swimmers:

They say it takes a village… Well, our village consisted of not only the swimmers and coaches, but parents and siblings, as well, who dedicated their mornings, evenings and weekends to the team. Whether you volunteered for a meet, were part of a committee, or simply shouted your support from the deck at each meet—we would like to take this opportunity to thank you for your dedication. You guys rock!!!

We would also like to take this opportunity to thank our outgoing board members, Mike Malpeli (President), Annie Schleyer (Treasurer), and Stephanie Sonnenfeld (Team Rep), as well as our returning board members, Kiersten Dickenson (President), Stephanie Callaghan (Tem Rep), and Priscilla Hayward (Secretary), for their wonderful contributions to the team this year. We would also like to extend a warm welcome to our incoming board members, Joe Kilty (Vice President), Kristen Peterson (Treasurer), and Tracie Buckley (Team Rep).

Finally, we would like to thank the Broadlands HOA, High Sierra pools, Van Metre, Community Center lifeguard staff, and Southern Walk Pool staff for your help and contributions in 2018.

Getting to Know Our High Sierra Lifeguards, Local and International

The lifeguards, who guard our safety at all three Broadlands pools, come to us from near and far! We have many guards who live locally in our community who are college students home for the summer or current students at Briar Woods High School, whereas others come from all around the world to be with us each summer. Many lifeguards have traveled from places such as Bulgaria, Slovakia, Macedonia, Turkey, China, Bermuda and many other countries too. We are grateful to have hard working lifeguards who efficiently provide safety and enjoyment for all of our members at each of our pools! Highlighted are two of the lifeguards we had on deck this pool season:

**Stefan Georgievski**
“My name is Stefan Georgievski, I am a 21 year old Web Design student from Skopje Macedonia. This is my second summer as a lifeguard and swimming instructor in Ashburn. I love Broadlands. Everyone is very friendly to me and the rest of the international lifeguards. I feel that as though this community is my second home already. Keeping the patrons safe and teaching my students how to swim is a great responsibility, but also very rewarding. See you at the pool!”

**Isabella Michelini**
“Hello my name is Isabella Michelini. I am currently a senior at Briar Woods High School, and have been a lifeguard with High Sierra for two years now. Working at the Broadlands pools has been an amazing experience. I have been incredibly lucky to work with great coworkers who have become some of my closest friends. By being a lifeguard I have become more involved with community, and the people in it. From working float nights to overseeing swim meets I have developed relationships with many of the families and kids who come to the pools. My fellow lifeguards and I try our best to aid every person’s needs and keep the Broadlands pools as safe and friendly as possible”. THANK YOU to all of our lifeguards for the hard work and dedication you have provided this summer!
Fall Fitness

It is amazing how quickly our schedules fill up once school gets going again. Soon we will find ourselves knee deep in homework help and our weekends will be spent on the fields. All of the hustle and bustle can make it pretty tricky to fit in time to work out. The key to avoiding these pitfalls is to have a few ideas in your back pocket, something that you can pull out when you only have a small amount of time for fitness. Keeping these tight time schedules in mind I created a quick, easy to follow workout for you to fall back on in your time of need.

This workout is great for so many reasons! You can do this anytime and anywhere (what about doing this while you wait for baseball practice to end?) and you can modify any/all of the exercises to maximize your time and your fitness level. If you happen to be near a hill, great, use the hill. If you have a set of stairs nearby, use those. Depending on how much time you have you can always add intervals to up the ante and increase your calorie burn.

Here’s how it goes:

**Warm up** (for appetizer) - To avoid injury, do a short warm up, a few minutes. It’s just a warm up so don’t stress about what to do. I typically like to do a few exercises that mimic what I will be doing in my workout with small range of motion and focusing on my form. By the end of the warm up, I increase range of motion and speed to increase my heart rate a little more. For this workout I might start with a little march and gradually focus on lifting my knees higher, progress to some small squats and make them a little bigger every few, a few big arms circles and reaches over head then finish out with butt kickers to get my quads ready to work.

**The main course** - This is the workout portion. This workout will be an interval to keep things fresh and to utilize as many muscles as we can in a short period of time.
1. Run up a hill (steps) and back down
2. Complete 10 Prisoner Squats
3. 10 push-ups
4. 10 Starfish or bicycle crunches

**Cool down** (dessert) - this is the sweet spot. This is to thank your body for working hard and to treat whatever is feeling tight. After the hills, your calves would love some stretching so that may be a good place to start. You could simply drop one heel off the back of a step take a few breaths, then hit the other side. Your lower back might want a little love, so rotational work will feel good. Just don’t skip this, a few minutes will do if you are really cutting it close on time.

Your goal is to complete this as many times as possible in 15 minutes (starting the timer for the main course not the appetizer). Keep a little journal and write down how many rounds you get in. Now you’ve set the bar and you are trying to get just a little more in each time.

Wondering why I chose the exercises that I did? I promise, there is a method to the madness.

**Hill Run** - hills are awesome! You use all major muscles to climb a hill, coming down hits a whole new set of muscles as you keep yourself from smashing the pavement. Burning out your quads will fire up your heart and it just makes you feel alive! Again, you choose a hill/stairs based on your level of fitness, maybe you start this on flat ground just running from one point to another and that is great too. Another option on this is to run up the hill backwards, your hamstrings will thank you for the love and it keeps things interesting. If you are doing this with a partner, one person can run forward to keep an eye out for hazards while the other runs backward and switch each time.

**Prisoner Squats** - this is one of my favorite exercises because it is oh so functional! In the most basic form this is a squat with arms up behind your head. If you are ready for the next level you can keep arms up behind the head and drop one knee at a time to the ground so you are kneeling then come back up to your starting squat. This exercise really works on hip flexibility and core strength. If this is challenging start with the squat and work your way up. *you will want a mat or soft surface for this one.

**Push-Ups** - another highly functional exercise. Think about what happens if you fall…you need to be able to get yourself back up off of the ground. If you hate push-ups, think of them as a survival tool instead of an exercise. Push-ups are great too because there must be about a bazillion different options: you can use toes, knees, incline, decline, triceps, balance, superman and on and on.

**Starfish/Bicycle Crunch** - I partly added this in so you have a moment to catch your breath before you go climb another hill but I also put it in because these are both solid core exercises when done correctly. By correctly I mean keep it slow, keep tension on your core and stay in control. If these are not great options for you, maybe just a v-sit to hit the core will do.

If you are interested in seeing this whole workout in motion you can check it out on my facebook page: Forward Fit Loudoun County. Feel free to send me any questions or comments there too!

**Happy Fitness!**

The crape myrtle
It's a Wrap

The 15th season of Broadlands Live! concluded on August 10th with the sounds of local artists, Soho Down and Riverside Lights. What a way to end a summer! We enjoyed music from a wide variety of genres, each band incredibly talented in their own way. We are truly grateful for all those that supported our shows through financial support and attendance.

Please patronize and thank these local businesses—LePort Montessori, Griffin Owens Insurance, Heritage Landscape Services, Wegmans, Stream Valley Veterinary Hospital, Broadlands Family Practice and Van Metre. Without the generosity of these sponsors we could not make these shows happen. The Zone, Sunband Inc, Bach to Rock, and Sweet Memories Photography also helped add to each of our shows with their presence. Rococo Gourmet Peruvian Cuisine and Domino's helped by keeping us fed.

Our swag bag donors can’t be forgotten either! Gifts averaging over $100 were given away from Copperwood Tavern, Painting with a Twist, Eden Spa, iL Dolce, and the Loudoun Station Farmer’s Market. We hope you have enjoyed the season. Please like our Facebook page and stayed tuned for what season 16 has for you!
