

SOLAR FESTIVAL

SATURDAY, APRIL 20, 2019

1:00 PM - 3:00 PM, NATURE CENTER

21907 CLAIBORNE PARKWAY

Our 128 solar panels on the Nature Center are now generating energy! Come by and see the new solar system and monitoring display and learn how it all works.

- ☀️ Check out a solar panel
- ☀️ Talk with our solar contractor
- ☀️ Browse solar demos and info
- ☀️ Enjoy activities for the kids
- ☀️ Take home a fun solar giveaway
- ☀️ Snack on some food truck fare

Please park at the Southern Walk Pool and take the path/tunnel over to the Nature Center.

Want solar for your home?

Our contractor, mtvSolar, is offering a neighborhood Co-op Program through June 30, 2019. Broadlands residents can benefit from the purchasing power of multiple residents - the more homes in Broadlands that go solar, the lower the cost of each system. Get in on the federal tax credit, too, before it expires. Get details on the Co-op Program at the Solar Festival, or contact Danny Chiotos at 304-886-3389 or d.chiotos@mtvsolar.com.
