Save Broadlands Live and Flicks in the Sticks

Broadlands Association relies heavily on volunteers and nowhere is that more apparent than in the development and implementation of our wonderful concert and outdoor movie series. Broadlands Live! is one of the few free concerts in the region where you can bring your own food and adult beverages and not get gouged by vendors charging an arm and a leg for a drink. Flicks in the Sticks provides wholesome, family friendly, free outdoor movie nights complete with fresh popped popcorn and drinks. Broadlands Live! hailed its 16th season and Flicks in the Stick celebrated 15 years in 2019. Both series are volunteer driven and the chairs for those events are ready to pass the torch to let the next generation lead the way. Do you think you have what it takes to adapt either of these events and entertain hundreds of your neighbors and friends? We do, and we're here to help! Both committees have members happy to mentor and staff happy to continue to assist with the administration of these events.

Why should you volunteer? Without volunteers, these programs will fade into the sunset of the 2000's. One of the things that makes Broadlands the spectacular place to live is that we have amazing events and wonderful people working on them. Without volunteers, we are forced to either pay for contractors to manage these events, which would drive up the cost of attending the events and of the monthly HOA assessments, or we would have to cut events from our budget and our community.

Whether you are a single person living alone, a couple with no children, a growing family with young kids, or empty nesters, we know you have much to contribute. Being a part of the planning committees for the events will ensure that we have activities that you and your family will enjoy year after year. I am confident that you will find whatever time you are able to give is a most rewarding experience.

Plus Broadlands hosts an annual Volunteer Appreciation Party, an elegant evening celebration as a small token of the appreciation for the hard work and hours of those who selflessly give their time. We would love to have you join us in 2020!

The Broadlands Live Committee organizes the summer concert series held at Hillside Park next

to the Stone House. Funding of the concert series is provided by Broadlands Association, Inc. as well as sponsors and food vendors. These free concerts are BYOB for adults over 21 years of age, with water, sodas, and food available for purchase. The Committee Chairs select bands, coordinate sponsors, and oversee contractors for the concerts. Currently, there are four concerts which take place the second Friday of the month from May through September, but this can be adjusted to suit your desire.

Flicks in the Sticks requires movie selection, set up of the outdoor movie screen, popcorn machine, and cleanup. Currently there are three movies, held on Saturday evenings over the Summer. There has been discussion of reducing the number of movies, changing to spring or fall time frame to accommodate earlier nights (the movies can't start until sunset) to allow for younger children to attend before bed and for cooler temperatures.

Remember, we have mentors to help train the new generation of volunteers. We just need you and your energy! What say you, Broadlands? Have I piqued your interest? If so, please contact me at sarah@broadlandshoa.com or 703-729-9704 ext 107.

Cheers,

Sarah

Nominate Someone in Need for a Free Roof Submitted by Shawn Flaherty

Know someone who is struggling to afford a new roof? DryHome Roofing and Siding, a Sterling, Va.-based roofing company, is accepting nominations throughout November for its 18th annual Free Roof for the Holidays program for a deserving Northern Virginia-based individual, family or nonprofit in need of a free roof.

To nominate an individual, family, or nonprofit, go online to www.dryhome.com and click on the nomination form or email DryHome at info@dryhome.com. Nominator should include their name and phone number as well as nominee's name, address, phone and reason why they are being nominated. The DryHome team will carefully review and evaluate all applications before selecting the nominee.

The "Free Roof for the Holidays" program enables the company to thank its customers and the community by helping those less fortunate have a safe roof over their heads too. Since the program's inception 17 years ago, the company has donated more than \$150,000 in free roofs back to the community.

James Horne, a Vietnam veteran and Sterling resident, won last year's free roof after being nominated by his caregiver. Over the years, DryHome has awarded roofs to people and nonprofits across the region with a variety of needs, including a Leesburg widow and mother of two young children; Cornerstones; a Leesburg advocate for the homeless; a Loudoun school bus driver; and Good Shepherd Alliance.

Black Metal Fencing Now Allowed in Parts of Broadlands

Black metal fencing is allowed for all single family homes except for the Overland Park Sections 26, 28 and 30 – Van Metre and Washington Homes.

Please refer to the fence design guidelines for more details and submission requirements: broadlandshoa.org/design-guidelines and click on "Fences" and "Metal Fence Diagram" for styles and specifications.

Residents Must Apply for Tree Removal!

It has been reported that tree companies are driving through Broadlands looking for trees to remove from resident properties claiming that their company was referenced on the HOA website as an approved company for executing tree removal. The HOA does not endorse or give blanket approval for tree removal companies. Approval is required to remove any tree either dead or alive whose trunk measures 4" or more in diameter when measured at the height of 4' from the ground. Please review the guidelines at <https://broadlandshoa.org/design-guidelines> then click on "Tree removal."

Scoop the Poop...

Residents frequently express concern that not everyone is taking the time to pick up their pet's waste in the neighborhood. Please ensure that your family members realize how important it is to be a responsible pet owner:

Dog poop is not natural, especially in the quantities that are generated by pets. It harms the environment and threatens public health.

Forgot your waste bag? No worries! The Broadlands HOA has 78 mutt mitt stations to offer residents.

Don't want to carry it with you? No problem, most of our mutt mitt stations have trash cans attached.

Even if your dog poops in the woods, you still need to clean it up. Not only is it unsightly, it can get into streams and into the water supply.

It's the law! Is it a violation of the Association Declaration, Article 8, Section 8.2(q) to not pick up your pet's waste, it is also a county ordinance violation. Please reference Loudoun County Ordinance, Chapter 612.19, Section a (9) Dog waste.

Covenants Corner

Throughout the year, the Covenants Manager routinely inspects homes for a variety of issues ranging from trash containers in open view, parking issues, architectural modifications to leftover holiday décor. In addition, certain seasons dictate the need to focus on particular inspections where violations may occur with high frequency.

This helps preserve the property values for home ownership, promotes community harmony and ensures the high standards of living that our residents have come to expect are maintained.

If any violations of these types are noted, the owner will be mailed a letter providing sixty days for the violation to be resolved. If the violation is not corrected, a second violation letter will be issued, providing an additional fifteen day extension. If the violation remains unresolved, a final notice will be sent, providing seven days to rectify before a Hearing Notice is sent, and a Hearing will be held in accordance with state law, where charges may be assessed, up to \$10/day for a maximum of ninety (90) days.

If you have questions regarding this processes, or have corrected the violation(s), or if you would like to request an extension on a maintenance violation, please contact the Covenants office at covenants@broadlandshoa.com or Suzan Rodano, Covenants Manager at 703-729-9704, option 2.

Submitted by Doreen Varblow, LWC

Changing Seasons Nature Walk — Sunday, November 3, 1:00pm, Blue Ridge Center for Environmental Stewardship (BRCES). Join Loudoun Wildlife Conservancy's Phil Daley to explore the varied habitats of the Blue Ridge Center, a future state park, during late fall. While many people stay indoors during the cooler months, others enjoy the beauty of a season when the sky is so clear you can see forever and the sun casts the longest shadows. During this free family-friendly hike, watch for the many birds, mammals, and insects that over-winter here and examine them and some of the plants to see how they adapt to temperatures that dip below freezing. The Blue Ridge Center consists of almost 900 acres south of Harpers Ferry in northwestern Loudoun County. Meet at the Education Center. Registration required: Sign up at <https://loudounwildlife.org/events/>. Questions: Contact info@loudounwildlife.org.

It's amazing what you can see when you are staring through the eye of a camera. Do you have a young photographer at home who wants to learn some tricks of the trade? Join Loudoun Wildlife Conservancy and professional wildlife photographer Jeff Mauritzen, who will guide us on a walk while teaching young photographers about perspective and how to best compose a quick photograph of various subjects in a fall landscape. Kids should bring a camera they can use on their own with ease...this is a beginner's class, so it's all about getting a good shot on an everyday camera or smart device. Space is limited to 15 children, ages 8+, with accompanying adult. NOTE: No strollers or pets. Registration required: Sign up at <https://loudounwildlife.org/events/>. Questions: Contact info@loudounwildlife.org.

Join Loudoun Wildlife Conservancy and the Friends of Banshee Reeks for the monthly bird walk at this birding hot spot. Bring binoculars if you have them. Forest Bathing, A Guided Nature and Forest Therapy Walk — Saturday, November 9, 9:30am - noon, Morven Park. Join Loudoun Wildlife Conservancy's Kim Strader for a facilitated combination of wandering, sitting, and resting that welcomes us to notice our surroundings. Through a sequence of gentle sensory-opening invitations, we will reconnect or deepen our connection with the natural world in a way that supports overall health and wellness. This slow-paced walk will cover no more than

1-2 miles in 2.5 hours. Nature and forest therapy walks are inspired by Shinrin-Yoku, a term coined in Japan in the 1980s, where it is a prominent feature of preventative medicine and healing. Medical and scientific evidence finds that connecting with nature helps alleviate stress-related illnesses such as high blood pressure while boosting the body's immune system. Kim is a Nature and Forest Therapy Guide in practicum with the Association of Nature and Forest Therapy Guides and Programs. Limit 20. Registration required: Sign up at <https://loudounwildlife.org/events/>. Questions: Contact info@loudounwildlife.org.

As the days get cooler and frost is in the air, deciduous trees and shrubs put on an autumn show in all shades of red, yellow, orange, and purple. Join Emily Southgate and Loudoun Wildlife Conservancy for a walk in the woodlands of Blue Ridge Center for Environmental Stewardship, this beautiful reserve in northwestern Loudoun County, to enjoy all the colors that Mother Nature provides this time of year. Native Plant Seed Swap — November 9, 10:00am - 2:00pm, The Gatehouse at Morven Park, 17638 Old Waterford Road, Leesburg. Meet other experienced and beginner natives plant gardeners to swap seeds. We ask our native garden experts to collect some seeds, save in a labeled paper bag (not plastic) and bring to the event to swap and share or drop seed bags by the Gatehouse to share with others. Questions: Contact info@loudounwildlife.org.

The Birds of Loudoun County — November 12, 7:00pm, Rust Library, 380 Old Waterford Rd NW, Leesburg. Loudoun County's extensive diversity of natural areas comprised of rich riparian buffers along the Potomac and its tributaries, large upland forests along the Blue Ridge and its other ridges, many farms and meadows, and its occasional park results in an abundant and diverse bird life. Using the extensive information gained from the Loudoun Wildlife Conservancy's five year bird atlas and resultant book, the Birds of Loudoun, Joe Coleman, avid birder, will discuss and show slides of some of the 262 species of birds found in Loudoun. He'll also identify the best spots to find them and discuss what the future likely holds for them. This free program is co-sponsored by the Loudoun County Public Library. Love Collecting Rocks?

Thanks to a generous donation of hundreds of pounds of minerals and rough gemstones the Nature Center will become a home base for studying geology, fossils, and gemology (lapidary arts). We will gather once a month beginning in January in preparation to becoming an official chapter of the Northern Virginia Mineral Club and in turn the North American Mineralogical Society—this will allow us to take part in statewide rockhounding events where we go and search for our own treasures and learn how they are formed from the experts. Want to go and surround yourself with awe-inspiring rocks and minerals? Join us at the George Mason 2019 Annual Gem, Mineral & Fossil Show November 23-24. Go here for more information <https://www.novamineralclub.org/events/2019-show>

If you are interested in joining our team of rock collectors in 2020, drop me an email and you can have input on when our monthly meetings will occur. All ages welcomed! Naturalist@BroadlandsHOA.com

3/4 teaspoon ground cumin
1/4 teaspoon garlic powder
1 1/4 cups chunky mild salsa
1 cup shredded cheddar
Chopped cilantro for garnish
Optional, serve with avocado and any type of rice

Combine corn and beans and put them in the slow cooker. Season the turkey with adobo (or salt), garlic powder and cumin then place in the slow cooker and top with salsa. Cover and cook LOW for 6 hours. Top with cheese, cover and cook until melted, about 5 minutes. Garnish with cilantro. Serve over rice.

1.5 lbs. turkey shredded
1 tsp basil
1 tsp oregano

Slice the bell peppers and onions into 1/4-inch strips. Place half the onions and peppers on bottom of a slow cooker. Add shredded turkey and sprinkle with basil and oregano. Then cover with the remaining peppers and onions and pour marinara sauce and broth over top. Place lid on the slow cooker and cook on high for two hours. Serve saucy mixture over pasta, rice, polenta, or stuffed into a roll as a sandwich.

In a large skillet add the onion, bell pepper, and garlic. Sauté until translucent. Add turkey, cabbage, and tomato sauces to the pan and cover. Simmer for 20-40 minutes or until the cabbage is tender, stirring occasionally. Season to taste and serve.

Ashburn Cares Follows Broadlands Community Outreach's Lead

Ashburn Cares is Partnering Up With Broadlands Community Outreach for its own **Comfort Cases Drive**. Together they are collecting new backpacks and small duffel bags for Comfort Cases and kids in foster care. No child should enter foster care with their belongings packed in a trash bag. Students at Mill Run Elementary will collect the essential items needed to fill the bags (toiletries, PJs, books, etc) to help bring dignity and hope to youth in foster care. *Look for collection boxes in neighborhoods and stores throughout Ashburn starting November 5th through November 17th.* The collection boxes will be picked up on the morning of November 18th. For more information on this wonderful charity organization, visit comfortcases.org.

- Rather buy online? You can also have a bag sent directly to Ashburn Cares via the Amazon Wish List that can be found on the [comfortcases](http://comfortcases.org) website listed above.

LCSO Offers Driving Safety Tips For Teen Driver National Safety Week

October 20-26 was Teen Driving Safety Week and the Loudoun County Sheriff's Office is reminding young drivers to never drive distracted.

In the United States, car crashes are the leading cause of death in teens from 15 to 19-years-old. A majority of those crashes are due to critical errors, including lack of scanning that is needed to detect and respond to hazards, going too fast for road conditions, or being distracted by something inside or outside of the car.

The Loudoun County Sheriff's Office has developed several programs to raise driver and passenger safety awareness for both middle school and high school-aged students in the county. In an effort to reach all new drivers, Loudoun County Sheriff Mike Chapman and members of the LCSO leadership team attend all licensing ceremonies in Loudoun County and provide a Teen Driving Checklist to new drivers and their parents to encourage them to drive safely. Teen Driving Checklist includes what every driver should know before getting behind the wheel, what to do if you are in an accident, and what to do if you get pulled over for a traffic infraction.

The information also includes restrictions for new drivers under 18-years-old in Virginia including:

- Cannot drive between midnight and 4:00am.
- For the first year, you can have no more than one passenger under 21-years-old (excluding family members).
- After the first year, and until you reach the age of 18-years-old, you can have no more than three passengers younger than 21-years-old (excluding family members).
- Cannot operate a cellular or wireless mobile device while driving, including emailing, texting or talking on the phone (§ 46.2-334.01)

As part of the agency's outreach efforts for all drivers, the LCSO also developed an informational video setting the expectations of a deputy during a traffic stop, what law enforcement expects from a driver, and what requirements a driver must lawfully follow. This video can be viewed at <https://sheriff.loudoun.gov/trafficstop>. The video was developed in coordination with local civil rights and religious leaders.

The Loudoun County Sheriff's Office works to educate all drivers and enforce all traffic laws. We ask that you do your part to obey the laws and please drive safely.
