TRASH AND RECYCLING SERVICE GUIDELINES FOR PATRIOT DISPOSAL

Patriot Disposal has been Broadlands Association trash and recycle provider since 2009. An environmentally-conscious company, Patriot Disposal offers a curbside recycling program that extends well beyond those offered by other haulers. We have developed innovative and cost-saving methods to collect and recycle materials over and above those required by the County, and we are continuing to pursue methods to recycle additional materials and to expand our recycling program even further. Patriot Disposal considers it a privilege to serve you. Please direct any questions, comments or concerns to us at our office, 1-703-257-7100 or visit Patriotdisposalservices.com.

Containers

Patriot Disposal will provide one Toter for each residence for the collection of trash. Each town home will be provided with a 64-gallon, wheeled, covered container, and each single-family home will be provided with a 96-gallon, wheeled, covered container. Each town home and single-family home will also be provided with one 64-gallon recycling toter. Additional small recycling bins are available for no additional charge. You are encouraged to keep a record of the serial number of your Toter(s) should you need to identify it in the future. Requests for additional recycling bins and Toters are being accepted by phone at 1-703-257-7100.

Additional Toters are available for purchase at the following rates:

- A 96-gallon Toter -- \$100.00
- A 64-gallon Toter -- \$50.00

Trash Removal (Monday and Thursday)

Each Monday and Thursday, Patriot Disposal will remove trash that has been placed at the curb for collection. Please note the following requirements concerning trash removal services:

1. Trash must be properly secured in plastic bags, standard trash cans, or wheeled carts.
2. Trash bags and containers shall not exceed 50 pounds in weight per bag or container.
3. Trash must be placed at the curbside and/or designated area by 7 a.m. for collection.

Recycling (Thursdays)

Patriot Disposal's weekly curbside recycling program includes the collection of **scrap metal** (foil, pie tins, trays, pots and pans, small car parts, grills, bicycles, swings, etc.), **small electronics** (computers, monitors, TVs, small printers, VCRs, DVD/CD players, cell phones, etc.), **car batteries**, and **used motor oil**, in addition to **newspapers, mixed paper, cardboard, paperboard, glass bottles and jars, metal and aluminum cans and plastic bottles**.

Please note the following requirements concerning recycling collection services:

1. Newspapers and magazines should be bundled and placed in paper grocery bags or tied with heavy twine.
2. Glass, plastic, aluminum and metal, food/beverage containers should be rinsed and placed in bags, cardboard boxes, or recycling bins.
3. Recyclables must be placed at the curbside and/or designated area by 7 a.m. for collection.
4. Recyclable materials can be co-mingled.
5. Patriot Disposal will remove and recycle packing boxes and cartons placed at the curb by residents.

Yard Waste (Mondays)

Please note the following requirements concerning the collection of yard waste:

1. Yard debris (leaves, grass clippings, brush) may be mixed with trash only during the months of January, February and March.
2. Brush must be cut into four-foot lengths, with limbs no larger than six inches in diameter.
3. Brush must be tied in bundles no larger than two feet in diameter.
4. Yard debris must be placed in separate containers, marked "yard waste" or in biodegradable bags. Yard waste that is put out at the curb in plastic bags will not be picked up.
5. Yard waste must be placed at the curbside and/or designated area by 7 a.m. for collection.
6. Food waste mixed in with yard waste will be accepted, as it can be composted.
7. The weight limit for yard waste is 35 pounds per bag or container.

Special Item Pick-ups (Thursdays)

Each Thursday, Patriot Disposal will collect furniture, mattresses, appliances, and other large, non-metal household goods that have been placed at the curb for collection, for no additional charge.

Please note the following requirements concerning the collection of special items:

1. Items for collection must be placed at the curbside and/or designated area by 7 a.m.
2. Appliances containing Freon must be certified as "Freon-Free" prior to removal.

Schedule

Patriot Disposal will provide services on all holidays that fall on regularly-scheduled pickup days with the exception of Thanksgiving Day, Christmas Day, and New Year's Day. If a regularly-scheduled pickup day falls on one of these holidays, service will resume on the next regularly scheduled pickup day. Items for collection must be placed at the curb prior to 7 a.m. If possible, homeowners are encouraged to place items at the curb the night before each scheduled collection day. Patriot Disposal will not provide service to any residence when circumstances exist that are beyond its reasonable ability to control, such as roadways deemed to be impassable due to parked vehicles or construction, riots, fires, floods, inclement weather, strikes, or acts of God.

Unacceptable Waste

The following items will not be collected, and should not be placed in the trash or set out for pick up: highly-flammable substances, hazardous waste, construction debris, liquid waste, toxic materials, radioactive materials, asbestos, infectious or medical waste, petroleum contaminated soil, dead animals, paint, manure, or other dangerous materials as determined by state, federal or local law, or in the reasonable judgment of Patriot Disposal.

Patriot Vehicles

Please be aware that Patriot Disposal owns and operates some vehicles that are "split-body" trucks. This means that there are two separate sections in the body of the truck, and the truck can therefore be used for the simultaneous collection of trash and recycling without co-mingling the items. To see the split body, you must view the truck from the rear. From the side, it will appear as though there is only one compartment and that all of the materials are being placed into it. Patriot Disposal anticipates possibly using some of these types of vehicles to perform waste collection services for the Broadlands Association. Please keep in mind that on some occasions, split-body trucks will be used to collect trash in one side and recycling in the other; or they might be used for the collection of trash and yard waste.
