

## COMMITTEES AND VOLUNTEER OPPORTUNITIES

**We have several committees that are committed to meeting the needs of the Broadlands Community. After reviewing the different committees listed below, we would like to invite you to volunteer by completing the enclosed Committee Interest Form.**

- ▶ **Broadlands Live:** Broadlands Live is a not-for-profit event run by the Broadlands Live Committee. All funding is provided by the HOA and generous sponsors and food vendors. Concerts are generally held on select Fridays in August, September, and October at Hillside Park. Details on concert dates and performers can be found on the Band Calendar on the Broadlands Live website at [www.broadlandlive.com](http://www.broadlandlive.com). The Committee starts working on the summer series in January but can use help with planning as well as the day of event setup and cleanup.
- ▶ **Conservation Landscaping Committee:** This committee monitors and maintains the community's certification with the National Wildlife Federation. The committee participates in rejuvenation and replanting projects throughout the community. They provide recommendations to the Board of Directors on native plant selections that can be integrated with ongoing landscape maintenance. With Board approval, they may also install and maintain educational demonstration gardens and coordinate volunteer workers.
- ▶ **Events Committee:** The Events Committee organizes a wide variety of events for Broadlands residents. These include the Spring Eggstravaganza, Halloween festivities, Summer Celebration, Visit with Santa, and more! They are always looking for volunteers to help organize or work at these events.
- ▶ **Modifications Subcommittee:** The Modifications Subcommittee meets to review and approve submissions of residential modifications. The committee meets on the first and third Wednesdays from March through October and the third Wednesday only from November through February. Meetings are held at 7:00 pm at the Nature Center.
- ▶ **Racquet Sports Committee:** The Tennis Committee is responsible for providing input on the tennis courts and working with the tennis pro to develop programs to suit residential needs.
- ▶ **Technology Committee:** The Technology Committee is responsible for the design and maintenance of the Broadlands HOA website. The Committee includes web designers, graphic designers, content managers, database administrators, programmers, and web hobbyists. Membership is open to anyone who would like to help work on the design and content of the site or help with programs or seminars on computer hardware, software, or usage for residents. The Committee meetings are generally held on the third Wednesday of the month in the evening.
- ▶ **Terracycle Committee:** This committee helps run a recycling initiative that helps the Broadlands community eliminate waste through a partnership with [TerraCycle](http://TerraCycle).

## COMMITTEE INTEREST FORM

Broadlands Association is looking for enthusiastic residents who are interested in getting involved in their neighborhood by volunteering for various standing committees. If you are passionate about making a difference in your community and would like to serve on a committee, we encourage you to complete the form provided below and submit it via email to [info@broadlandshoa.com](mailto:info@broadlandshoa.com). Your participation will help shape the future of our community and make a positive impact.
